**IRISH POST 500th WIN OF MAINIERI ERA** – The recent 6-3 win over Georgetown on March 26 was Paul Mainieri's 500th victory in 11-plus seasons at ND (now 516-204-2; 847-483-3 in 24 overall seasons) ... the Mainieri era has included an average of 44-plus wins per season, eight trips to the NCAAs, eight conference titles, 43 players who have been drafted or signed as free-agents, 12 All-America seasons and nine Academic All-America honors (all 63 of his four-year players have graduated and 11 who signed professionally as juniors have returned to complete or near completion of their undergraduate requirements).

(8 Es).

**SCHEDULE CHANGES** – There have been several minor changes to the Notre Dame 2006 baseball schedule, since its initial release on Dec. 10:

- Two home games have shifted their start times – April 22 vs. Rutgers at 3:05 and April 25 vs. Purdue at 7:05 (live ESPN-U telecast – while the April 13 doubleheader vs. St. John’s was telecast live by CSTV (with live streaming on und.com).

- The BIG EAST also has announced that the eight-team conference tournament will be held in the new venue of Bright House Networks Field (Clearwater, Fla.), the Philadelphia Phillies spring-training site and home field for their single-A affiliate.

- Also of note is the fact that South Bend/Notre Dame now observes Eastern time (including DST) all year-round ... that’s a switch from past years when South Bend residents never changed their clocks (and were on EST year-round) ... thus, South Bend no longer will be on the equivalent of Central time from April through October, as it has been in recent years (South Bend’s time zone now will be aligned with the east coast all 12 months).

**ND BASEBALL AND ECK STADIUM FEATURED IN EA SPORTS GAME**

– The Notre Dame baseball program and Eck Stadium are prominent elements in the newly-released EA Sports home video game MVP 06 NCAA Baseball ... the revolutionary game features Notre Dame and 127 other Division I teams while Eck Stadium is one of 19 stadiums featured in the popular new release ... EA Sports – the makers of the highest-rated and top-selling baseball game of the past three years – has created a completely new baseball experience: MVP 06 NCAA® Baseball. Inspired by the spirit and emotion of collegiate athletics, MVP 06 NCAA Baseball is the first-ever college baseball game.

**LIKE FATHER, LIKE SON** – Six current Irish players are second-generation college baseball players: senior IF Eddie **Smith** (Ed Smith, Gonzaga), junior LHP/1B Mike **Dury** (John Dury, N.C. State), junior RHP Jeff **Manship** (John Manship, Arizona), freshman IF Evan **Sharpley** (Tom Sharp-ley, Spring Arbor) and freshman C **Mike Many** (Bob Many, Northern Illinois).

**TAKE ME TO YOUR LEADOFF (MAN)** – Senior 1B **Craig Cooper** shifted into the leadoff spot starting with the Texas A&M game (that opened the Spring Break trip) and responded with a nine-game hit streak that ended in an 0-for-1 game vs. Central Michigan (3 BB, SF) ... Cooper has reached base on 21-of-27 first-inning plate appearances since taking over the lead-off spot (8 singles, 6 doubles, 3 walks, 3 home runs, HBP) ... he also has reached on a team-best 63% of his overall plate appearances when leading off any inning (32-of-51) ... Cooper’s move to the leadoff spot sparked ND’s 26-3 record during the past seven weeks.

**BACK-TO-BACK BATTING TITLES FOR COOPER** – Current senior 1B **Craig Cooper** ended up batting .403 in 2005 BIG EAST games, placing him 16 points ahead of second-place finishers Doug Nelms of West Virginia and Dan McDonald of Seton Hall (both hit .386) ... Cooper also led the league in batting as a sophomore (.470, in ’04) and joined former Boston College player Kevin Penwell (’95 and ’96) as the only repeat batting champions in the 21-year history of BIG EAST baseball ... he now is making a bid for an unprecedented third BIG EAST batting title, currently leading the conference with a .529 avg. in BIG EAST games (18-for-34).

**ONE OF THE BEST THERE EVER WAS** – Craig Cooper’s late-season surge in 2005 moved him into third place on the list for career batting average in BIG EAST games, entering 2006 at .420 (68-for-162) – now up to .431 (90-for-209, with a BIG EAST-leading .468/22-for-47 in ’06) ... the only players in BIG EAST history to hit at a higher clip in conference action for their career are former Seton Hall standout Marteese Robinson (.432, 93-for-192; ’85-’87) and Rutgers player Joe Cirone (.443, 51-for-115; ’97-’00) ... Cooper could join Cirone as the only players in the past 18 seasons to hit .420 or higher in their BIG EAST career ... Robinson currently is the director of scouting for the St. Louis Cardinals.

**IRISH QUICK NOTES** – Craig Cooper was named BIG EAST player of the week after batting 12-for-20 two weeks ago (10 R, 5 RBI, HR, 3B, 2 2B) ... Cooper and Brett Lilley both hit 9-for-13 in the 3-0 sweep at South Florida ... ND’s recent streak of nine straight games with double-digit hits is unmatched in the program’s recorded history ... the ND staff’s streak of not allowing a home run ended in the Sunday game at USF (first vs. the Irish in 25 games and 943 batters faced) ... ND rapped out 49 hits in the sweep at USF, the most hits for the Irish in a BIG EAST series since 50 vs. Georgetown in '98 ... ND outhit USF .409-.231 in the series ... ND matched the seventh-best 30-game start (22-8) in the 114-year history of the program ... ND had 15-plus hits in four straight games for the first time since 1988 ... the ND defense remains on pace to set the team record in fielding pct. (.972; 39Es), with the 10 regular starters combining for just 28 Es at their normal positions (SS Greg Lopez has just 6 Es) ... the games at USF marked the eighth time that ND has swept a 3-game road series in 11 BIG EAST seasons ... ND has trailed just four times in the win streak, with three of those deficits each lasting a half-inning ... ND is 18-1 in its past 19 overall games vs. the BIG EAST ... Kyle Weiland already has tied Aaron Heilman’s ND record for saves by a freshman (9) ... ND (106 in '04; 130 in '05) and Long Beach State (124 in '98, 114 in '99) are the only teams ever to post 106-plus HBPs in multiple seasons.

### **Notre Dame Career Hit-By-Pitch**

2. **Brett Lilley (2005- ) ..... 39**

11. Javi Sanchez (2001-04)..... 27
12. **Craig Cooper (2003- ) ..... 24**

**IRISH TAKING AIM AT EIGHTH STRAIGHT NCAA TRIP** – Notre Dame, which bounced back from a 14-14 start to the 2005 season by going 22-8-1 in the second half, made its seventh straight appearance in the NCAAs and eighth of the Paul Mainieri era (since '95) during that 2005 season ... the Irish are part of an elite group of 12 teams that have appeared in the NCAAs every year since 1999, with others including: recent NCAA champions Miami, LSU, Texas, Rice and Cal State Fullerton, plus Florida State, Stanford, Clemson, Tulane, East Carolina and Oral Roberts ... ND is part of an even smaller list of seven teams that have advanced to at least the NCAA Regional final every year since 2000 (six straight), with the other five teams including LSU, Miami, Rice, South Carolina, Stanford and Texas.

**OPENING-DAY HOME RUNS** – Current seniors **Steve Andres** and **Matt Bransfield** are two of 13 Notre Dame players in the Pat Murphy/Paul Mainieri era (since '89) to hit a home run on opening day, with Andres doing so in 2005 vs. Florida A&M (at UCF) and Bransfield in the 2006 opener vs. Indiana State (in Millington) ... Matt Edwards also homered in the 2005 game vs. FAMU, one of two openers since '89 in which the Irish have hit multiple HRs (Craig DeSensi, Paul Failla and Eric Danapilis all homered in the 1993 opener, a 11-4 win at Arizona State) ... ND players have homered in each of the past five season openers – also Matt Bok in '02 (vs. Missouri, at UNO), Kris Billmaier in '03 (vs. Dayton, at ASU) and Edwards in '04 (vs. San Diego State, at USC) ... Edwards is the only player from the Murphy/Mainieri era to hit multiple opening-day HRs in his career ... the program's 13 opening-day HRs in the past 18 seasons have come from six seniors, five juniors and two sophomores (none since '93); three first basemen, two catchers, two DHs, two shortstops and two leftfielder (also a CF and RF).

**SCORING STREAK ENDS AT 215** – The second-longest scoring streak in Notre Dame baseball history (215 games, dating back to 2002) ended in the recent 8-0 loss to the host team Minnesota at the Dairy Queen Classic ... a 2002 shutout loss to Rutgers ended ND's record scoring streak (231) but the Irish then scored in 215 straight before the loss to the Gophers ... ND now has been shut out just eight times in the 12-year Paul Mainieri era (never more than twice in the same season).

**FOUR-PEAT NO EASY FEAT** – Oral Roberts (8) is the only team in the nation with a longer active streak of conference tournament titles than Notre Dame's four straight BIG EAST Tournament titles ... Rice won nine straight Western Athletic Conference automatic bids from 1997-2005 (the WAC does not sponsor a tournament and awards its bid to the regular-season champ) ... ORU and Rice are the only teams – among 30 Division I conferences – that are riding a streak of more than four consecutive conference automatic bids ... ND also owns the record for consecutive wins in BIG EAST tournament play (7, still active).

#### **MANSHIP, SAMARDZIJA AMONG NATION'S TOP PROSPECTS**

- *Baseball America* recently released its annual list of college baseball's top-100 prospects for the 2006 Major League baseball draft and Notre Dame was one of six teams in the nation to feature two starting pitchers among those top-100 prospects – as **Jeff Manship** is slotted at No. 75 on that list while fellow junior right-hander **Jeff Samardzija** is listed 94th ... the other teams with two starting pitchers among the top-100 prospects are UNC, Missouri, Cal Poly, Washington and San Diego.

- *BA's* college preview listed ND senior 1B **Craig Cooper** and sophomore B **Brett Lilley** on its preseason all-BIG EAST team ... *BA* also cites three ND players – Lilley, SS **Greg Lopez** and junior catcher **Sean Gaston** – as the BIG EAST's best defensive players at their respective positions while tabbing Lilley as the BIG EAST batter with the "best strike-zone discipline," Samardzija as the BIG EAST's best athlete, Manship as the league's pitcher with the best breaking ball and senior lefthander **Tom Thornton** as the BIG EAST pitcher with the best control.

- *BA's* prospect rankings list Manship fourth and Samardzija sixth among the BIG EAST's top prospects while Cooper is listed 44th among the nation's top senior prospects.

**LIDGE NAMED TO WBC TEAM** – Former Notre Dame ace pitcher and current Houston Astros all-star closer **Brad Lidge** ('96-'98) was one of 16 college baseball products who were named to the United States original 30-man roster for the upcoming World Baseball Classic, a 16-nation tournament held from March 3-20 at venues in Japan, Puerto Rico and the United States ... former Notre Dame standout and current Arizona Diamondbacks infielder **Craig Counsell** ('92) was not named to the team but is one of 22 players who remain on the provisional roster – with the official U.S. 30-man roster not to be submitted to WBC organizers until March 2 ... all 10 of the relief pitchers originally named to the team are former college baseball players, as is Astros starting pitcher Roger Clemens (Texas) and five position players ... Lidge saved the 2-0 win over Canada and was the pitcher of record in the 4-3 win over eventual champion Japan.

**FAR & WIDE** – Notre Dame's nine position player starters hail from seven states, including two outfielders from **California** (senior LF/DH Steve Andres and RF Cody Rizzo) and two leftside infielders from **Ohio** (senior SS Greg Lopez and sophomore 3B Brett Lilley), plus one each from **New York** (senior 1B Craig Cooper), **Colorado** (senior LF/DH Matt Bransfield), **Indiana** (junior C Sean Gaston), **Florida** (sophomore 3B Ross Brezovsky) and **Illinois** (senior CF Alex Nettey)

**STATE ROLL CALL** – The Notre Dame list of all-time monogram winners includes players from 44 home states ... pitchers Brandon Vioria (Wailuku, Hawaii) in 2000 and Cody Wilkins (Hudson, N.C.) in 2004 became the first players from their respective states ever to monogram with the Irish baseball program ... the only states that have not produced ND baseball letterwinners include Alaska, Idaho, Nevada, New Hampshire, South Carolina and Vermont ... the 12-year Paul Mainieri era has featured players from 36 states, including 15 states on the 2006 roster (see list below):

**Florida (4)** – Ross Brezovsky (Naples), Wade Korpi (Lake Worth), Eddy Mendiola (Miami), Joey Williamson (Lantana)

**Indiana (4)** – Mike Dury (Indianapolis), Sean Gaston (Brownsburg), Jeff Samardzija (Valparaiso), John Seabaugh (Granger)

**Texas (4)** – Jeremy Barnes (Garland), Sam elam (Mesquite), Tony Langford (Fort Worth), Jeff Manship (San Antonio)

**California (3)** – Steve Andres (Napa), Danny Dressman (San Jose), Cody Rizzo (Temecula)

**Illinois (3)** – Brett Graffy (Homer Glen), Mike Many (Naperville), Alex Nettey (Dolton)

**Michigan (2)** – Dan Kapala (Royal Oak), Evan Sharpley (Marshall)

**New York (2)** – Ryan Connolly (Binghamton), Craig Cooper (Plainview)

**Ohio (2)** – Brett Lilley (North Canton), Greg Lopez (Upper Arlington)

**Washington (2)** – David Gruener (Gig Harbor), Eddie Smith (Olympia)

**Colorado (1)** – Matt Bransfield (Englewood)

**Massachusetts (1)** – Tom Thornton (Middleboro)

**Missouri (1)** – David Phelps (Hazelton)

**New Jersey (1)** – Chris Soriano (Randolph)

**New Mexico (1)** – Kyle Weiland (Albuquerque)

**Virginia (1)** – Jess Stewart (Manassas)

**CLUTCH HITTING KEY COMPONENT** – Three stats that measure clutch offensive production – leadoff on-base pct., batting with runners in scoring position and 2-out batting – show that clutch hitting can overcome a team's dropoff in power numbers ... using a formula that combines those three situational hitting numbers, Brett Lilley was the 2005 team's runaway team leader with a "clutch hitting" score of 1.402 ... that number can be skewed a bit by the on-base pct. (which has the benefit of including walks and HBPs and thus is higher than the batting avg. stats) ... using an adjustment whereby the leadoff on-base pct. is multiplied by 75%, Lilley still checked in as ND's all-around leader in clutch hitting with a 1.273 score (.515 leadoff on-base/.386 adjusted, .448 RISP, .439 with 2-outs) ... Lilley led the '05 team in 2-out batting and batting with RISP while ranking 3rd in leadoff OB (better than his overall team-leading .502 OB pct.) ... current senior 1B Craig Cooper was 2nd overall with a 1.117 clutch-hitting score in '05 that included the team's 2nd-best batting averages with 2 outs (.439) and with runners in scoring position (.448) ... departed 1B Matt Edwards was the 2005 team's runaway leader with a .581 leadoff on-base pct. ... as a team, the most consistent part of ND's 2005 clutch offense was leadoff on-base pct. (.406/.311 adjusted), followed by batting with RISP (.309) while the 2-out batting lagged behind at .294:

- The first 32 games featured **32 different batting orders** (now 33 in 36) ... ND is 24-3 with Cooper at leadoff spot (4-5 with others).
- The top four spots thus far have included:  
**four** different **leadoff** batters (Brett Lilley, Jeremy Barnes, Alex Nettey and Craig Cooper)

**seven** in the ever-important **#3 spot** (Cooper, Steve Andres, Gaston, Matt Bransfield, Lilley, Barnes, Dressman)  
and **seven cleanup** batters as well (Andres, Bransfield, Nettey, Gaston, Barnes, Dressman and Ross Brezovsky)  
... for comparison, ND's entire '05 season featured five leadoff batters, five in the 2-hole, just three who batted 3rd and seven at cleanup

- Notre Dame is **10-2** in the 12 games when **Rizzo has started at catcher**

## ACADEMIC EXCELLENCE

• The Notre Dame baseball team traditionally has matched its stellar play on the field with strong performances in the classroom and that continued to be the case in the 2005 fall semester – as the 32 players combined for a 3.17 team GPA during the semester.

• The NCAA's recently-released Graduation Success Rate (GSR) data also reinforced the Notre Dame baseball program's elite academic standing, as the Irish were one of 17 teams among 268 in Division I – but one of only two teams from that group that also currently are in the national top-25 polls – to compile a 100%t graduation rate, during a four-year sample of classes entering from 1995-98.

• The Irish also own a 100% graduation rate (63-of-63) among four-year players throughout the tenure of head coach Paul Mainieri ('95-present), with 12 others who signed professionally prior to their senior season returning to complete or near completion of their degree requirements.

• Twenty-one of the ND baseball players posted a GPA of 3.0-plus during the 2005 fall semester, with 11 checking in at 3.4 or higher ... the ND players also have combined for an impressive 3.10 cumulative team GPA over the course of their college careers.

• Notre Dame boasts several strong Academic All-America candidates in 2006, most notably: senior LHP **Tom Thornton** (3.54 cumulative GPA; as a double major in anthropology and film-television-and-theater), sophomore 3B **Brett Lilley** (3.64; business), senior SS **Greg Lopez** (3.39; pre-professional studies and anthropology), senior LF/DH **Matt Bransfield** (3.36; sociology) and junior catcher **Sean Gaston** (3.36; political science and history) ... Notre Dame's unmatched Academic All-America history includes 20 honorees since 1992.

• The senior class led the way for the Irish during the 2005 fall semester, averaging a 3.54 semester GPA that included seven players above a 3.4 and all eight posting a semester GPA of 3.05 or higher.

**BULLPEN BOOST** – Notre Dame lost two of its top relief pitchers (junior RHP Dan Kapala/shoulder and sophomore RHP Tony Langford/elbow) before the 2006 season even began but the Irish relievers have responded with a solid season that now includes a 3.35 bullpen ERA, a .245 opponent batting avg., nearly a 2-to-1 K-to-walk ratio (84/46) and 12 more innings pitched (107.1) than hits allowed (96) ... the ND relievers have allowed roughly one-third (20-of-54; 37%) of inherited baserunners to score but have struggled vs. first batters faced, allowing a .365 batting avg. (23-for-63) with 12 runs scored, 5 walks and 3 hit-batters among those 77 first batters (11 Ks):

**GIVING BACK THE INHERITANCE** – Junior RHP **Joey Williamson** has taken the mound with nine batters on base this season and has allowed just one of them to score (vs. Wright State), stranding five inherited baserunners since that game ... Williamson has been particularly strong versus his first batter faced, allowing just 2-for-11 batting with six strikeouts in those situations (BB, HBP, 2 R).

**SUPER SAVER** – Closer **Kyle Weiland** saved three straight games two weeks ago and already has tied Aaron Heilman's ND record for saves by a freshman (9, in '98) ... Weiland converted each of his first nine save chances (now 9-of-10) and ranks fifth on the ND season saves list, behind J.P. Gagne (13, in '03), Ryan Doherty (12, in '04), John Corbin (11, in '00) and Mike Coffey (10, in '98).

**DURY DOES IT** – Junior LHP **Mike Dury** was the third of four Irish relievers and retired five of the six batters he faced in the recent win over Ball State (K) while improving to 5-0 in his Irish career ... Dury took the mound with two outs and two runners on base in the top of the seventh, inducing a rightside popup off the bat of Kyle Dygert to keep the deficit at 4-3 ... Dury has allowed just one earned run (and one unearned; 0.64 ERA) in 12 appearances and 14 innings this season (8 H/.170 opp. avg., 7 Ks, 4 BB), with a 1.20 career ERA in 52.1 IP (33 Ks, 14 BB, 45 H/.236) ... he is close to reaching the minimum innings pitched (60) required for inclusion on the ND career ERA list and ultimately could break a record that has stood for 45 years (All-American Nick Palihnich's 2.36 career ERA, from 1959-61).

**FOR OPENERS** – Following the 3-0 win over Indiana State, ND now is 8-1 in its past nine season openers, with five straight wins (29-9 margin in the past three openers).

**PLAYING THE FIELD** – Notre Dame faced three Big 12 Conference teams earlier this season (Oklahoma, Nebraska and Texas A&M), continuing a long trend that has seen the Irish face teams from all over the nation ... Big 12 team Oklahoma State is one of just a handful of teams from the nation's top conferences that Notre Dame never has faced (as are Kansas, also of the Big 12, and ACC team Maryland) ... ND baseball has faced 285 opponents in its 115-year history, including 177 of 283 teams (63%) that played on the Div. I level in 2005 (many of the teams ND has not faced are from the smaller conferences) ... other teams of note that ND has yet to face include emerging programs such as the College of Charleston, Virginia Commonwealth, Coastal Carolina, Louisiana-Lafayette, East Carolina and Southern Mississippi – plus west-coast teams such as Cal Poly, San Jose State, UNLV and Utah.
