SHOOTING THE PUCK: After firing a season-high 42 shots on October 27 versus Michigan State, Miami held the Irish to 45 shots in the weekend series...on Friday (11/3), Notre Dame had 23 shots on goal in the 5-2 win and on Saturday (11/4), the Irish got just 22 shots in the 1-1 tie...for the season, the Irish have outshot the opposition five times while being outshot five times...ND is 2-2-1 when it has more shots in a game and 1-3-1 when the Irish outshoot the opposition...on the season, ND is averaging 30.1 shots per contest...

IRISH FIRSTS: Right wing **John Wroblewski** scored the first goal of the game on Friday (11/3) versus Miami...it was his first goal of the season and the first of his Notre Dame career...the goal came in the 36th game of his career...junior left wing **Brett Henning** scored his first goal of the season, the eventual game winner in the same contest...the goal was Henning's the first game winner of his career...

KOPISCHKE FOR THE DEFENSE: With three defensemen, **Neil Komadoski**, **Tom Galvin** and **Ryan Clark** out of the lineup due to injuries and illness, Coach Dave Poulin went to his forwards to fill the opening on his blueline...senior forward **Jay Kopischke (Alexandria, Minn.)** moved back to defense after playing the first 106 games of his career at forward and has played well for the Irish...Kopischke has picked up two assists while turning in a +2 in his four games as a defenseman...

STREAKS: Senior left wing **Dan Carlson** is the lone Irish icer with a scoring streak heading into the Boston College game on Friday...Carlson has scored in two straight (2-2-4)...

WHO'S BACK: Notre Dame returns 16 of 24 letterwinners from the 1999-2000 team that went 16-18-8, finished fifth in the CCHA and advanced to the CCHA semifinals ... the Irish also return junior D Sam Cornelius (lettered in '98-'99, 16 GP last season) and sophomore D Paul Harris (9 GP last season) ... all told, ND's 15 returning skaters accounted for two-thirds of the goals and 60 percent of the total offense in 1999-2000 ... ND returns five of its top-seven scorers from 1999-2000, including its leading scorer in senior LW **Dan Carlson** (17G-18A, 9 PPG, 5 GWG) ... senior RW and team captain **Ryan Dolder** (10G-14) was ND's fourth-leading scorer last season, followed by junior C **David Inman** (13G-7A) and sophomore C **Connor Dunlop** (3G-13A) ... Inman and Dunlop combine to give ND two of the top young centers in the CCHA while junior **Brett Henning** (3G-7A) could shift from C to LW this season ... including Henning, ND has six veterans who could play at left wing—with that group having a combined 14 years of Division I experience ... other top candidates at LW include seniors **Chad Chipchase** (15 GP during injury-plagued 1999-2000 season) and **Jay Kopischke** (6G-5A), with Chipchase also capable of playing at C or RW ... for the second consecutive season, ND must replace a four-year regular at RW (Joe Dusbabek, with Brian Urick moving on after '98-'99) ... other top returners at RW include sophomore **Michael Chin** (6G-7A) and senior **Matt Van Arkel** (4G-1A) ... just two 1999-2000 letterwinners return in the D: 6-4, 230-pound senior **Ryan Clark** and sophomore **Evan Nielsen** (4G-10A), who could fill the power-play point role filled the past two seasons by Benoit Cotnoir ('99) and Tyson Fraser ('00) ... Clark and Nielsen skated together in 30 games last season (including the final 22) ... all three Irish Gs are back, led by sophomore **Tony Zasowski** (ND record 2.56 GAA, 13-9-6 record, .901 save pct.) and junior **Jeremiah Kimento** (3-8-2 career record, 2.88 GAA, .890 save pct.).

WHO'S GONE: With two of the top-three scorers lost to graduation, ND is one of several CCHA teams looking to receive boosts in goalscoring from other players ... the Irish also must replace four of their top-six defenseman from last season: **Nathan Borega**, **Tyson Fraser**, **Sean Molina** and **Sean Seyferth** ... the 6-2, 225-pound Borega (70 PIM last season) was a four-year enforcer with the Irish while Fraser's subtle skills included serving as the point man on the Irish power play (he had 3G-11A last season, 7G-49A for his career) ... Molina (1G-8A in 1999-2000) appeared in 148 career games (tied for 4th in ND history) and played a role on the second PP unit in 1999-2000 ... the graduated D foursome combined to appear in 486 career games (140 for Borega, 131 for Fraser, 67 for Seyferth) ... top losses from the forward line include C and team captain **Ben Simon** and RW **Joe Dusbabek** ... Simon's 1999-2000 season included 13G-19A and a team-best 10 PPGs ... he averaged nearly a point per game in his career (44G-85A, 143 GP) and is ND's second-leading career scorer since the Irish rejoined the CCHA in 1992 ... Dusbabek (8G-19A in 1999-2000) totaled 26G-49A in 126 career games ... Academic All-American **Andy Jurkowski** (5G-8A) made a successful transition from D to LW as senior in 1999-2000 while C **Troy Bagne** rounds out the 2000 graduates (he had 2G-3A in 1999-2000, 5G-10A in 123 career games).

WHO'S NEW: ND's fifth consecutive highly-regarded recruiting class includes three products of the USA Hockey National Team Development Program: D **Neil Komadoski** (Chesterfield, Mo.) and **Brett Lebda** (Buffalo Grove, Ill) and RW **Rob Globke** (West Bloomfield, Mass.) ... the other two freshmen signees include C **Aaron Gill** (Rochester, Minn./Rochester Mustangs) and D **Tom Galvin** (Miller Place, NY./Waterloo Blackhawks) ... one other newcomer is junior LW **Jon Maruk**, who played two seasons at Alaska Anchorage before scoring 32G-42A in 71 games last season with the Twin City Vulcans (which won the 1999-2000 national junior-A title) ... Globke is known for strong wide-reaching offensive skills, after ranking as the third-leading scorer on the 1999-2000 USA Under-18 National Team (15G-21A) ... Gill is a strong all-around centerman who totaled 26G-23A in 55 games with the Mustangs last season ... the 6-1, 205-pound Komadoski—who could help replace the imposing presence of graduated Nathan Borega (6-2, 225)—made a name for himself as the top enforcer on the USA Under-18 National Team and is considered one of the nation's top prospects for the 2001 NHL draft ... Lebda is known for his smooth skating and offensive ability while Galvin is a steady performer with strong all-around skills (both could play roles on the power play).

CLOSING THE DEAL: Notre Dame has built an impressive record in games that the Irish lead after two periods of play...ND is unbeaten in its last 44 games when holding a lead at the second intermission (38-0-6, including 11-0-3 in 1999-2000) ... the Irish are 3-0-1 in 2000-01 when leading after two periods...the last time ND lost after holding a second-intermission lead was Jan. 9, 1998, in the second of three games at Alaska-Fairbanks ... UAF's Sean Fraser tied the game (2-2) with a power-play goal in the third minute of the final period before Chris Kirwan converted a breakaway with 0:45 left in overtime ... the Irish also are 23-2-4 since the 1998-99 season when leading at the first intermission (10-1-1 in 1999-2000 and 1-0-1 in 2000-2001).

THE HOT HAND...After not playing in five straight games (Oct. 13 - Oct. 26), sophomore goaltender **Tony Zasowski** has started the last three games and turned in impressive numbers...over the three game span (183:56), Zasowski is 1-1-1 giving up six goals on 91 shots for a 1.95 goals against average and a .934 save percentage...On the season, Zasowski is 1-3-1 with a 3.27 goals against and a .897 save percentage...

IRON MEN: Senior right wing **Ryan Dolder (Hutchinson, Minn.)** and senior left wing **Dan Carlson (Edina, Minn.)** were the only Irish players to appear in all 42 games of 1999-2000 ... Dolder has played in 74 consecutive games going into this week's Boston College game ... Carlson has played in 129 of 132 games during his first three-plus seasons (missing two while at the '98-'99 World Juniors) and needs to appear in 24 more games to break John Schmidt's ND record for career games played (152, '78-'82).

IRISH VERSUS RANKED TEAMS: Tonight's game versus Boston College is the fifth of the season for the Irish versus ranked teams...in the first four, the Irish are 0-4-0...Boston College was tied for fourth in the USA/American Hockey Magazine poll and fourth in the US College Hockey On-Line poll when the two teams met on October 13....

from the Joyce Center, by the end of November, Notre Dame will have played eight of its next ten at home...the Irish are 2-3 at home this season and over the last three years are 25-13-3 (.646) at the Joyce Center...since the building opened, ND is 275-222-33 (.550) in 530 home games....

FIVE GOAL OUTBURST: Notre Dame's five-goal, second period outburst versus Northeastern marked the first time that the Irish have scored five goals in a period since November 2, 1996...that night at Bowling Green, ND scored five, third period goals to pull out a 7-5 win versus the Falcons...a year ago, Notre Dame only scored six or more goals in a game once, a 7-4 win over Nebraska-Omaha on February 12th...

THE KIDS ARE ALRIGHT: Through the first ten games of the season, the Friars' newcomers (seven freshman, one transfer) have shown their abilities by contributing to the Irish attack with seven goals and 13 assists for 20 of the team's 65 points...that amounts to 26.9% of the goals, 33.3% of the assists and 30.8% of the team's points...**Rob Globke** leads the way (5g, 3a), followed by **Aaron Gill (Rochester, Minn.)** with (1g, 4a), **Brett Lebda (Buffalo Grove, Ill.)** with (1g, 3a), **Jon Maruk (Eden Prairie, Minn.)** with (0g, 2a) and **Tom Galvin** with (0g, 1a)...

THE TOP OF THE LIST: Senior right wing **Ryan Dolder** has picked up where he left off last season as he is Notre Dame's top scorers through the first ten games of the season with five goals and four assists for nine points...last season, Dolder closed out his junior year by scoring a goal in each of the Ferris State playoff games to help the Irish to a trip to the CCHA semifinals at Joe Louis Arena...he has scored in seven of his last nine games (5-4-9)...versus Northeastern (10/20) he personally wiped out a 2-0 first period deficit as he scored a pair of goals just 19 seconds apart early in the second period...the Hutchinson, Minn. native had a goal and an assist in the 5-2 Irish win over Miami (11/3)...

MAKING THE MOST OF A CHANCE: Sophomore defenseman **Paul Harris (Ridgefield, Conn.)** has worked his way into the Irish lineup after battling injuries as a freshman and only playing in nine games...this season, Harris moved into the lineup at the Maverick Stampede after fellow soph **Evan Nielsen (Evanston, Ill.)** came down with the flu prior to the Boston College game...Harris has picked up two assists in nine games this season and owns a team-best +4...

STOPPING THE PUCK: Sophomore goaltender **Tony Zasowski (Darien, Ill.)** has started ND's last three games (the final Michigan State game and both games of the Miami series) ...prior to that, goaltender **Jeremiah Kimento (Palos Hills, Ill.)** made five consecutive starts from Oct. 14 through Oct. 26...during that streak, Kimento was 2-2-1 in the five starts with a 3.33 goals against and a .887 save percentage...

DID YOU KNOW: According to the CCHA, the average height and weight for a player in the league is six-foot tall and 188-pounds...Notre Dame's average team

height is 72.04 inches - just over six-foot tall - which ranks the Irish fifth in the league in that department...ND is the biggest team in the league weight-wise as the Irish tip the scales at an average of 195.96-pounds per player...

RISING TO THE TOP: Senior LW **Dan Carlson** is one of the top returning scorers in the CCHA, as his 35 points in 1999-2000 (17G-18A) rank sixth among current CCHA players, behind Western Michigan's David Gove (18G-28A), Michigan State's Adam Hall (26G-13A), Miami's Pat Leahy (16G-22A), MSU's Rustyn Dolyny (18G-19A) and Ferris State's Kevin Swider (15G-21A).

JUNIOR JUMP: Junior C **David Inman**—who had 10G-10A as a freshman and 13G-7A as a sophomore—will be hoping to be the latest in a recent trend of Notre Dame forwards who have made huge goal scoring jumps in their junior seasons ... that group includes LW Aniket Dhadphale, C Ben Simon and current senior LW **Dan Carlson** (18G in first two seasons, 17 as a junior in 1999-2000)...through the first nine games of the season, Inman has gotten off to a fast start with four goals and two assists....among those four goals are two power play markers...the Toronto, Ont. native suffered a concussion in Friday's (11/3) game versus Miami and did not play in the Saturday contest...

CENTURY MARK: Senior center **Chad Chipchase** played in his 100th career game versus the Northeastern Huskies on Saturday night (10/21)...he is one of five players on the Notre Dame roster to have played in over 100 games in his career (104)...right wing **Matt Van Arkel** played in his 100th career game versus Minnesota and has now played in 109 overall...the remainder of that group includes **Dan Carlson (129)**, **Ryan Dolder (113)** and **Jay Kopischke (110)**.

BLOODLINES: Four current members of the Notre Dame hockey program—junior **F Brett Henning**, junior LW **Jon Maruk**, sophomore C **Connor Dunlop** and freshman D **Neil Komadoski**—hold a unique connection, as each of their fathers enjoyed a lengthy career in the National Hockey League (see p. 39 of the 2000-01 Notre Dame media guide for photos from their playing days).

• **Lorne Henning** played nine seasons with the New York Islanders ('72-'81) and has spent the past 15 years as an assistant and head coach in the NHL. An original member of the Islanders, Henning compiled 73G-111A as a forward over his 543-game career and played a major role in a four-year Stanley Cup dynasty ('80-'83). Henning served as an assistant with the Islanders from '80-84 and '87-'94, as head coach for the Minnesota North Stars ('85-'87) and the Islanders ('94-'95), and as a Chicago Blackhawks assistant from '95-'98 before returning in '98-'99 to the Islanders, as associate coach.

• **Dennis Maruk** played 14 NHL seasons—with the California Seals ('75-'76), Cleveland Barons ('76-'78), Minnesota North Stars ('78-'79, '83-'88) and the Washington Capitals ('78-'83)—and finished as the NHL's fourth-leading scorer in 1982 (60G-76A) while compiling 878 career points (356G-522A) in 888 games.

• **Blake Dunlop** played 11 seasons in pro hockey ('73-'84), including NHL stints with the Minnesota North Stars ('73-'77), Philadelphia Flyers ('77-'79), St. Louis Blues ('79-'84) and Detroit Red Wings ('83-'84), while totaling 130G-274A in 550 career NHL games.

• Rounding out the quartet is **Neil Komadoski, Sr.**, who played eight NHL seasons as a defenseman with the Los Angeles Kings ('72-'78) and the St. Louis

Blues ('77-'80), totaling 16G-76A and 632 penalty minutes in 501 career games.

USHL VETERANS: Notre Dame's 2000-01 roster—and particularly the freshman class—has plenty of experience with the United States Hockey League, as each of the five scholarship freshman—and junior newcomer **Jon Maruk** (Twin City Vulcans)—played in the USHL last season ... all told, 17 different ND players have skated in the USHL, as members of that league's traditional programs or the USA Hockey Under-18 Team ... that group includes senior D **Ryan Clark** and sophomore LW **Jake Wiegand** (Lincoln Stars), senior LW **Jay Kopischke** (North Iowa Huskies), senior RW **Ryan Dolder** and Maruk (Twin City Vulcans), sophomore RW **Michael Chin** and freshman F **Kyle Dolder** (Twin City Vulcans) and sophomore G **Tony Zasowski** (Omaha Lancers) ... Chin also played one year with the USA program, as did nine other current Irish players (see note below).

A PATRIOTIC GROUP: Notre Dame's current roster includes 10 players who have past experience with USA Hockey, as members of the National Team Development Program (NTDP) and/or the National Junior Team ... Notre Dame's current total of eight NTDP alumni is the most at any Division I school ... that group includes junior F Brett Henning and four members of the sophomore class—RWs Michael Chin and John Wroblewski, C Connor Dunlop and D Paul Harris—plus a trio of freshmen: RW Rob Globke and D Neil Komadoski and Brett Lebda ... senior LW Dan Carlson played with Team USA at the 1998-99 World Junior Championship while Henning, Dunlop and junior C David Inman played with the USA at the 1999-2000 World Juniors ... four Irish players—Dunlop, Globke, Komadoski and Wroblewski—remain among the top candidates for the USA's 2000-01 National Junior Team while a pair of 2000 Irish graduates—center Ben Simon and RW Joe Dusbabek—played for the USA at the World Juniors in '96-'97 (Simon) and '97-'98 (Simon and Dusbabek).

RISING PROSPECTS: Two members of Notre Dame's freshman class are considered top prospects for upcoming NHL drafts ... defenseman **Neil Komadoski** was rated by NHL Central Scouting as the No. 51 prospect for the 2000 draft (even though he is not eligible for the draft until 2001) ... first-year RW **Rob Globke** likewise could develop into a high-end draft prospect but will not be eligible for the draft until 2002.

IN THE SIN BIN: Since ranking as the CCHA's most-penalized team in '95-'96 (11.31 penalties/gm), ND has ranked as the conference's least-penalized ... the Irish averaged the fewest penalties per game by any CCHA team in '96-'97 (8.69) and '97-'98 (6.37) before ranking as the CCHA's third-least penalized in '98-'99 (8.40) ... ND again was the CCHA's least-penalized team in 1999-2000, averaging just 7.69 penalties (16.59 PIM), leading to just 5.67 opponent power-play chances per game ... over the course of the past four seasons, ND has averaged an impressive 7.74 penalties per game...this season, through eight games, the Irish are averaging 9.0 penalties per game for 25.0 minutes per game which ranks them as the fifth-most penalized team in the CCHA...

A SPECIAL PLAYER: **Dan Carlson** has played a key role on both special-teams units during his Notre Dame career and could become the fifth player to rank among Notre Dame career top 10 for both power-play goals and shorthanded goals ... Carlson

needs seven PPGs to crack that ND career top-10 list (10 shy of fifth) while his four career shorthanded goals rank 11th in ND history, three back of the record shared by three players.

MAKING HIS MARK: Former Notre Dame hockey standout, Brian Urick ('99) was named the American Hockey League's Player of the Week for the week ending October 22, 2000...Urick helped lead the Hamilton Bulldogs, the Edmonton Oilers top famr club, to three wins during the week scoring four goals with two assists for six points...he was named First Star twice, following a 6-5 win (2 G's 2 A's) versus Quebec and after Hamilton's 4-3 win over Philadelphia (1 goal)...through the first eight games of the season, Urick is tied for the team lead in goals with five and has eight points...

TAKING IT TO THE NEXT LEVEL: During the past three seasons, the Notre Dame hockey program has sent several players on to the professional ranks, with 10 of those recent players competing in 2000-01 ... **D Mark Eaton**—who in the summer of 1998 opted to forego his final three years of college eligibility at Notre Dame and signed a free agent contract with the Philadelphia Flyers—had a solid 1998-99 season with the Philadelphia Phantoms of the American Hockey League and played 27 games with the Flyers in 1999-2000 before being traded to the Nashville Predators prior to the start of the season ... former Irish center and '96 graduate **Jamie Ling** is currently with the Dayton Bombers where he serves as a player assistant coach ... RW **Brian Urick** ('99) had a solid preseason camp with the Edmonton Oilers and has been assigned to the AHL's Hamilton (Ont.) Bulldogs ... LW **Aniket Dhadphale** ('99) currently with the AHL's Providence (R.I.) Bruins while another '99 graduate, **D Benoit Cotnoir**, was in the tryout camp of the International Hockey League's Chicago Wolves before returning to the Mobile (Ala.) Mystics of the East Coast Hockey League (he also played in Mobile last season) ... five 2000 graduates likewise are active in pro hockey ... C **Ben Simon** was in the camp of the Atlanta Thrashers and played in several pre-season games before being assigned to the IHL's Orlando (Fla.) Solar Bears ... RW **Joe Dusbabek** attended the San Jose Sharks preseason camp and has joined the ECHL's Roanoke Express ... D **Sean Molina** tried out with the Chicago Wolves and has signed on with the ECHL's Trenton (N.J.) Titans ... D **Nathan Borega** currently is a member of the ECHL's Louisiana Ice Gators while D **Sean Seyferth** is in the ECHL with the Dayton Bombers.

ACADEMIC ALL-AMERICANS: Notre Dame is the nation's only Division I hockey program to produce a GTE/CoSIDA Academic All-American during each of the past four seasons (as part of the fall-winter at-large program), with C **Steve Noble** earning second-team honors in 1996-97 and first-team honors in '97-'98, followed by G **Forrest Karr** in '98-'99 (second team) and LW **Andy Jurkowski** in 1999-2000 (third team).

CENTURY MEN: Senior LW **Dan Carlson** is on the verge of becoming the fourth ND hockey player in the last three seasons to reach 100 points...through the first six games, Carlson has 35G-59A for 94 points ... RW **Brian Urick** (57G-69A) and LW **Aniket Dhadphale** (61G-44A) each reached 100 in the '98-'99 season while C **Ben Simon** (44G-86A) reached the milestone in 1999-2000 ... Carlson needs 15 goals in his final season to join Urick and center **Jamie Ling** ('92-'96) as the third Irish player since 1993—and 28th overall—to reach 50G-50A in his career (he

needs 25G-5A to become ND's 17th 60-60 player and first since Dave Bankoske did it from 1988-93) ... a 41-point season in 2000-01 would land Carlson among ND's top-20 career scorers (Ling, with 51G-102A, is the only post-1993 player on that list, at 13th).

CLUSTER PARTNERS, PART II: The rotating CCHA cluster schedule has yielded four games for the Irish in 2000-01 versus Ohio State, Miami and Western Michigan—with two vs. the other eight squads in the 28-game schedule ... the following CCHA teams will not visit the Joyce Center in 2000-01: Alaska Fairbanks, Lake Superior, Michigan and Nebraska Omaha ... the Irish will not make regular-season trips in 2000-01 to Bowling Green, Ferris State, Northern Michigan and Michigan State ... ND's 1999-2000 cluster partners were UAF, MSU and UNO, with the 2001-02 partners to include Bowling Green, Ferris State and Michigan.

DOUBLE (OT) DIP: Current Irish senior **Dan Carlson** turned in a rare feat during a three-week stretch of the 1999-2000 season, as the speedy left wing scored in overtime to beat both Western Michigan (4-3) and Ohio State (2-1) ... that marked just the second time—and the first in 28 years—that an ND player has scored two overtime goals in the same season, as then-junior winger **Paul Regan** scored overtime goals in 1971-72 versus Michigan Tech (6-5) and Cornell (5-4).

FEELING A DRAFT: ND and Boston College both had four players selected in the '97 NHL draft, most by any Division I school ... the drafted players included a pair of forwards who graduated in 2000—**Ben Simon** (5th round, Chicago Blackhawks) and **Joe Dusbabek** (7th round, San Jose Sharks)—plus current seniors **Jay Kopischke** (8th round, L.A. Kings) and **Ryan Clark** (9th round, N.Y. Islanders) ... four ND players have been selected in the first nine rounds of the same NHL draft just once previously, in '75 ... the 2000-01 ND hockey team includes five players that have been selected in the National Hockey League draft ... in addition to **Clark** and **Kopischke**, ND's drafted players include a pair of junior forwards who were selected in the 1999 NHL draft—**David Inman** (2nd round, New York Rangers) and **Brett Henning** (9th round, New York Islanders)—plus sophomore D **Evan Nielsen** (8th round, Atlanta Thrashers, 2000) ... just two other teams in the Central Collegiate Hockey Association—Michigan (7) and Michigan State (6)—have more draft picks on their 2000-2001 rosters than Notre Dame.

MIDWEST MAGIC: Notre Dame continues to reap the benefits of the rapidly-improving youth hockey programs in the lower Midwest (namely Illinois and Missouri), as one-third of the current roster includes players from Illinois (6) or Missouri (2) ... four of those players also are products of the USA Hockey National Team Development Program (NTDP): sophomore RW **Michael Chin** (Urbana, Ill.), sophomore C **Connor Dunlop** (St. Louis, Mo.) and first-year D **Brett Lebda** (Buffalo Grove, Ill.) and **Neil Komadoski** (Chesterfield, Mo.) ... sophomore D **Evan Nielsen** (Evanston, Ill.) was invited to join the NTDP but returned for his senior year at The Taft School ... ND's other Illinois natives include the team's top two returning goaltenders—junior **Jeremiah Kimento** (Palos Hills) and **Tony Zasowski** (Darien)—plus senior RW **Matt Van Arkel** (Richton Park). ... prior to 1995, the ND hockey program had produced

just eight total letterwinners from Illinois and two from Missouri.

ROAD TRIP ANYONE?: The Notre Dame hockey program again will travel plenty of miles during the 2000-01 season, as the Irish are slated to traverse the equivalent of nearly 17,000 miles in the upcoming season—after travelling nearly 18,000 in 1999-2000 (17,907, or close to three-quarters of the Earth's diameter) ... the longer trips of 2000-01 include the season-opening game versus Minnesota, a trip to Omaha for the Maverick Shootout (plus a later series with Nebraska Omaha), an upper-peninsula visit to Lake Superior, the RPI Christmas Tournament in Troy, N.Y., a pair of games versus Yale in New Haven, Conn., and a return journey to Fairbanks, Alaska (ND's third trip to UAF in the last four seasons) ... the 1999-2000 campaign likewise included trips to Omaha and Fairbanks, plus a pair of visits to tournaments in Denver, Colo., a Thanksgiving tournament at New Hampshire and an upper-peninsula visit to Northern Michigan ... here's a breakdown of the 2000-01 trips, based on average roundtrip land mileage:
