Irish Claim Ninth BIG EAST Championship, Finish 24th at NCAA Meet

Team scores points at the NCAA Championships for the 10th consecutive year

Notre Dame continued its tradition of excellence on the conference level during the 2004-05 season, claiming the program's ninth consecutive BIG EAST championship in traditional dominating fashion. The dual meet season brought about mixed results for the Irish, as the team finished with a 6-3 record but outside the national top 25 after dropping all three of its dual-meet match ups against ranked teams.

Led by sophomore Katie Carroll in the pool and fifth-year senior Meghan Perry-Eaton in the diving well, Notre Dame eventually finished in a tie for 24th at the NCAA Championship. Carroll dominated the individual medley races during the regular season and in championship races, finishing sixth in the 400 IM at the NCAA meet despite missing two months of the season with an injury. Perry-Eaton, who finished her career as the best diver in Notre Dame history, scored 16 points in the NCAA Championship for the second consecutive season.

The 2004-05 season also marked the end of the Bailey Weathers era at Notre Dame. Weathers resigned at the end of the season to pursue a new challenge following 10 highly successful years with the Irish. During his tenure, Notre Dame finished 86-20-1 (.811) in dual meet action and he won BIG EAST Conference coach of the year accolades six times.

The last season of the Weathers era started with a dual-meet victory over Evansville (161-54) and a first place finish in the Dennis Stark Relays on the same day – Oct. 1, 2004. Carroll, in the pool competitively for the first time in 2004-05, swam an NCAA "B" cut to win the 400 IM against Evansville and reentered the pool in the meet to touch first in the 200 butterfly.

Carroll's outstanding and surprising early-season swim helped the Irish finish 1-2-3-4 in the first six events of the meet against Evansville. In the Dennis Stark Relays, the 800 freestyle relay team of Ellen Johnson, Ann Barton, Christel Bouvron and Laura Stafford set the meet record with a 7:54.84 victorious swim.

Unfortunately for the Irish team, an injury would sideline Carroll for the next two months, as she would not be available to swim full-time for Notre Dame until the Saint Lucia Invitational in January.

Ranked 23rd by the CSCAA to begin the season, Notre Dame did not reenter the pool competitively until Oct. 29, when the Irish dropped both sides of a triangular meet at Purdue. Notre Dame lost 186-111 to #21 Arizona State and was edged 169-130 by #25 Purdue. Sophomore Jessica Stephens provided the highlight of the meet for Notre Dame, finishing second in the 100 butterfly (while posting her third-best career time), then immediately reentering the pool and finishing first in the 400 IM.

The Irish rebounded on Nov. 12 to sweep a triangular meet with Pittsburgh (172-128) and Michigan State (199-101) in the Rolfs Aquatic

Center. Perry-Eaton, Christel Bouvron and Jessica Stephens led the way, each winning two individual events as part of 10 Irish victories. Perry-Eaton's two diving wins off both boards gave the fifth-year senior five wins in the first six events on the season.

Moving up to 21st in the nation, the Irish dominated Bowling Green on the road for their fourth dual meet victory of the season. Notre Dame won 12 of the 16 events at the meet – including 10 of the first 11 en route to a 189-112 victory. Rookie Caroline Johnson led the way with four event victories (three individual, one relay), while Perry-Eaton kept up her diving domination by winning both boards yet again.

Perry-Eaton led the diving contingent into the Notre Dame Invitational, while the rest of the Irish team hit the road in early December to take part in the highly-competitive Georgia Invitational. Two more diving victories off the one- and three-meter board were earned by Perry-Eaton at the Notre Dame Invitational, while the swimmers eventually finished fifth in the Georgia Invitational.

With Carroll back in the mix, Notre Dame (still ranked 21st) eased through its training trip

to Saint Lucia with a second-place finish (behind Michigan) in the Saint Lucia Invitational on Jan. 2. Caroline Johnson led the way with a win in the 100 backstroke and the Irish had the opportunity to get an up-close look at the Wolverines, who the team would meet again on Jan. 28.

Illinois and #13 Michigan visited the Rolfs Aquatic Center on Jan 14 and 15 for a two-day meet (with the Wolverines competing against the Illini only). The first day of the competition was highlighted by a pool record effort in the diving well by Perry-Eaton. She broke her own record in one-meter diving that evening, earning 316.30 points and helping rally Notre Dame for a 54-53 lead over Illinois after the first day.

The Irish and Illini would battle back and forth again on day two of the meet – with the outcome eventually determined in the final relay. Trailing Illinois 175-172 entering the 400 freestyle relay, the Notre Dame team of Carroll, Ellen Johnson, Caroline Johnson and Rebecca Grove edged Illinois by .06 seconds to sneak out a 183-181 victory.

could not help #25 Notre Dame overcome the 17th-ranked Wolverines on the road. Michigan posted a 161-138 victory over the Irish, although Notre Dame was able to win seven events.

The dual meet season ended on Feb. 5 against Oakland. The Golden Grizzlies entered the meet with a perfect 7-0 record and were able to win the first event, but a victory by Bouvron in the 200 freestyle kick-started Notre Dame to a 163.5-134.5 victory. Bouvron also claimed wins in the 500 freestyle and 100 butterfly during the competition.

Notre Dame turned its attention to the BIG EAST Championships in mid-February, expecting tough competition from its fellow conference members. Entering the meet, the Irish had experienced their smallest margins of victory the previous two years.

The first day of competition began with a momentum-grabbling highlight for the Irish. In 2005, the BIG EAST changed to a four-day competition, with the first day consisting of the men's and women's 800 freestyle relay and a men's diving event.

The team of Caroline Johnson, Ellen Johnson, Carroll and Grove jumped into the pool for the 800 freestyle relay and touched the wall 7:16.95 later, winning the event in school-record time.

Day two at the BIG EAST meet saw Perry-Eaton win one-meter diving for the third consec-

utive year, Carroll win the 200 IM for the second consecutive year and the 200 freestyle relay team win its fourth-straight title. By the end of the second day, Notre Dame had built a comfortable 53-point lead (279-225) over Rutgers.

The Irish moved a step closer to the crown on day three with victories by Carroll (400 IM), Bouvron (100 butterfly) and the 400 medley relay team. Carroll's 4:15.55 effort in the 400 IM qualified her automatically for the NCAA Championships, while Ellen Johnson's 1:49.20 runner-up finish in the 200 freestyle broke Kristen Van Saun's 1999 school record. By the end of day three, Notre Dame's lead had suddenly grown to over 100 points entering the final day.

The fourth day would provide little drama, as the Irish seized their ninth consecutive BIG EAST title with victories from Perry-Eaton (three-meter diving), Bouvron (200 butterfly) and Stephens (200 breaststroke). Both Bouvron and Stephens also posted NCAA "B" with their winning times.

Weathers was named the BIG EAST Coach of the Year for the sixth time in 10 years at the conclusion of the meet, Caiming Xie was named the BIG EAST Diving Coach of the Year and Perry-Eaton took home her third straight BIG EAST Most Outstanding Diver award.

While the season ended for all but three Irish competitors in victorious fashion at the BIG EAST meet, Carroll, Perry-Eaton and Bouvron would carry the torch for their teammates at the NCAA Championship.

Bouvron competed in both butterfly events, finishing 22nd in the 200 fly and 41st in the 100 fly. Carroll, fresh off her eight all-BIG EAST honors at the conference meet (three individual, five relays) made the Irish program proud, earning All-America honors with a sixth-place finish in the 400 IM. She also earned honorable mention All-America honors in the 200 IM and scored 16

points toward the team total at the NCAA meet.

Perry-Eaton ended up in the top five in one-meter diving (finishing fifth to earn All-America honors) and followed up with a 15th place finish in three-meter diving.

With the 2004-05 season officially in the books and Weathers moving on in his career, Notre Dame turned to one of its own to lead the Irish swimming and diving program. Carrie Nixon, the most celebrated swimmer in Notre Dame history and assistant to Weathers, was named the program's fourth head coach on May 13, 2005. Nixon becomes the 26th former Notre Dame student-athlete hired as an Irish head coach and just the sixth since 1965.

Katie Carroll pumps herself up for an eventual victory in the 400 individual medley at the BIG EAST Championship. She also posted an NCAA "A" qualifying time in the race.
