Entering his 29th season as a collegiate head coach and 10th year at the University of Notre Dame, Dick Corbett Head Football Coach Brian Kelly brings a championship tradition as the school's 29th head football coach.

Kelly is the only three-time winner of The Home Depot Coach of the Year Award (2009, 2012 and 2018). Kelly is the fifth-winningest coach in school history.

His 154 victories as a head coach since 2001 are more than all but two active FBS head coaches — Alabama's Nick Saban and TCU's Gary Patterson.

KELLY'S HEAD COACHING RESUME

- Twenty-third college coach to reach 200 career victories with at least five years of service or 50 victories at a school that was classified as a major college at the time
- Second-youngest and fifth-fastest coach to ever reach 200 career victories with at least five years of service or 50 victories at a school that was classified as a major college at the time
- With 10 wins in 2015, 2017 and 2018, Kelly joined Knute Rockne, Ara Parseghian and Lou Holtz as the only Notre Dame coaches to hit the double-digit mark in wins three times
- With 10-win seasons in three of the last four years, Kelly is the first Irish coach to do so since Holtz registered three straight 10-win seasons from 1991-93
- Kelly is 23-18 (.561) in his career against Associated Press Top 25 teams, which ranks sixth among active FBS coach with at least 20 such games
- Ranks third and ninth among active NCAA FBS coaches in career victories (231) and career winning percentage (.716), respectively
- Captured four coach of the year awards in 2018 — Home Depot, Associated Press, Bobby Dodd and Stallings
- Swept just about every possible coach of the year award in 2012 — Home Depot, Associated Press, Walter Camp Football Foundation, Sporting News, Liberty Mutual and American Football Coaches Association
- Continued focus on academics as Notre Dame won the 2014 American Football Coaches Association Academic Achievement Award with a 100 percent graduation rate for the freshman football student-athlete class of 2007
- Thirteen of Kelly's last 14 teams have finished the year with a winning record
- Every team of Kelly's head coaching tenure, except for his first Central Michigan team that went 4-7 in 2004 and Notre Dame in 2016 (4-8), has finished at .500 or better (26 out of 28 years)
- Kelly is one of four active FBS coaches that have guided their respective schools to multiple undefeated regular seasons since 2009

KELLY ERA AT NOTRE DAME

With 10 wins in 2015, 2017 and 2018, Brian Kelly joins Knute Rockne, Ara Parseghian and Holtz as the only Notre Dame coaches to hit the double-digit mark in wins three times.

The 2018 season marked Notre Dame's 13th unbeaten, untied regular season in school history and first berth into the College Football Playoff.

The Irish led the nation at the completion of the regular season in FBS victories (12), ranked second in AP top-25 wins (four), ranked second in final CFP top-25 wins (three) and ranked tied for third in Power-5 wins (10).

Notre Dame has now posted back-to-back 10-win seasons for the first time since 1992-93. The 2018 season marked the 12th time in school history the Irish have won 10 or more games during the regular season (also 10-1 in 1921, 10-0 in 1930, 10-0 in 1949, 10-0 in 1973, 10-1 in 1977, 11-0 in 1988, 11-1 in 1989, 10-1 in 1993, 10-2 in 2002, 10-2 in 2006 and 10-3 in 2015).

Notre Dame's 22-4 record and .846 winning percentage over the last two seasons ranks fourth among all Power-5 schools. In fact, the Irish are 21-3 (.875) in their past 24 games since a 49-20 win at Boston College on Sept. 16, 2017. The current string matched the most recent stretch of 21 Notre Dame wins in 24 games played that spanned Oct. 24, 1992 through Oct. 1, 1994.

In its 21-win surge over the past 24 games, Notre Dame earned seven wins against top-25 foes. In the stretch from October of 1992 into the 1994 season, the Irish also managed seven wins against ranked opponents in that span that included downing No. 1 Florida State 31-24 on Nov. 13, 1993, No. 22 Penn State 17-16 in the famous "Snow Bowl" game on Nov. 14, 1992 at Notre Dame Stadium and Texas A&M twice in both the 1993 (No. 4, 28-3) and 1994 (No. 7, 24-21) Cotton Bowls.

Dating back to the Citrus Bowl on Jan. 1, 2018, against LSU, and prior to the 2018 Cotton Bowl, Notre Dame fashioned 13 straight wins overall. It was the fourth-longest winning streak in Notre Dame football history.

Notre Dame's six-game win improvement in 2017 from the year prior was the largest improvement from one year to the next in school history since the Irish improved by seven victories under first-year head coach Ara Parseghian in 1964 (9-1 after going 2-7 in 1963).

Notre Dame defeated four teams last year that finished the 2017 season ranked in the Associated Press Top 25 — a feat unsurpassed by another team in college football. The four victories over teams that finished the season ranked in the Associated Press Top 25 were the most by an Irish squad since 1990 — when Notre Dame registered five.

Among the 26 FBS teams that finished the season with at least 10 wins in 2017, Notre Dame was the only one to play four different Power 5 teams with 10 or more wins (second most in the nation) and defeated two different Power 5 teams with 10 or more wins (fourth most in the nation). In fact, among the 36 FBS teams that finished the season with at least nine wins in 2017, Notre Dame played seven different nine or more win teams (the most) and defeated four different nine or more win teams (fourth most).

The Irish used a dominant running game led by the All-American tandem of guard Quenton Nelson and tackle Mike McGlinchey.

McGlinchey and Quenton Nelson were the 17th set of FBS teammates in the same position group to be named consensus All-Americans in the same season since the adoption of two-platoon football (1964). They were the first FBS teammates in the same position group to be named consensus All-Americans in the same season since Barrett Jones (C) and Chance Warmack (OG) of Alabama in 2012.

Nelson was the 34th unanimous All-American in Notre Dame history, the first since Manti Te'o in 2012, and first offensive lineman to earn such an honor since OT Aaron Taylor in 1993.

McGlinchey and Nelson were the first pair of Notre Dame offensive linemen to garner first-team honors in the same season by the Associated Press since 1931.

The duo spearheaded an offensive line that paved the way for the third-best FBS rushing attack in yards/carry (6.3), seventh-best in rushing offense (269.3 rush yards/game), eighth-best in total rushing yards (3,503) and 15th-best in rushing touchdowns (35). The 3,503 rush

yards and 6.3 yards/carry were both single-season school records.

They also helped Notre Dame's offensive line capture the Joe Moore Award. Presented by the Foundation for Teamwork, the award is given annually the "toughest, most physical offensive line in the country."

Notre Dame rushed for over 300 yards seven times in 2017 (the Irish eclipsed 300 yards rushing seven times over the previous 17 years combined). The Irish had seven different players that registered a run of at least 30 yards, four different players that rushed for at least 100 yards in a game, 13 separate 100-yard rushing games and 22 carries that netted at least 35 yards.

Notre Dame ranked in the top three nationally in runs of at least 20 yards (3rd, 42), 30 yards (1st, 28), 40 yards (3rd, 15), 50 yards (3rd, 11), 60 yards (1st, nine) and 70 yards (2nd, four).

Josh Adams ranked among the top 20 nationally in rushing yards per game (16th at 115.5), total rushing yards (13th at 1,386) and yards per rush (17th at 7.26). He led the nation with a 5.20 yards per carry after contact (total 994).

No FBS player since 1996 other than Adams in 2017 broke a TD run of at least 70 yards in three consecutive games. He passed four players since '96 who had TD runs of 70-plus in three straight games, including Heisman trophy winner Ricky Williams.

Brandon Wimbush set the quarterback school record for single-game rushing yards (207) and single-season rushing touchdowns (14). He was the third QB in school history to eclipse both 500 rushing yards and 1,000 passing yards in the same season. He joined Tony Rice (1988 and '89) and DeShone Kizer (2015).

Notre Dame set the modern single-game record for rush yards per carry vs. Boston College on Sept. 16, 2017. The Irish averaged 10.1 yards per rush and totaled 515 yards against the Eagles. The previous record of 10.0 yards per rush had stood for 75 years.

The Boston College game was the first time in school history that the Irish had a pair of runners eclipse 200 yards rushing in the same game. Adams went for 229 yards on 18 carries, while Wimbush picked-up 207 yards and ran for four scores.

Notre Dame set the single-season record for rush yards per carry in 2017. The Irish averaged 6.3 yards per rush, which not only bested the previous modern-day mark of 5.63 — set just two years prior in 2015 — but also topped the previous school record of 6.2, which was set in 1921 (96 years ago).

Notre Dame rushed for 35 touchdowns in 2017, which was the most by the Irish since 1993.

Notre Dame ranked 27th in the FBS in total offense. The Irish had not ranked higher in the FBS since 2009, when they ranked ninth.

Notre Dame ranked seventh in the FBS in rushing offense (269.3 yards per game). The Irish have not ranked higher in the FBS since 1995 (sixth) and have not registered a higher per game average since 1996 (269.5).

Notre Dame ranked 24th in the FBS in scoring offense (34.2 points per game). The Irish have not ranked higher in the FBS since 2006 (16th) and have not registered a higher scoring average since 2005 (36.7).

With nine runs of at least 60 yards in 2017, the Irish were tied for the national lead in that category. Six of those runs came against Power 5 teams, making Notre Dame one of just four teams in FBS to have broken six runs of 60 yards or more against power conference teams this year.

The Irish also experienced a resurgence on the defensive side of the ball.

Notre Dame improved by at least 20 spots in the FBS rankings in third down conversion percentage, interceptions, rushing defense, scoring defense, passing efficiency defense, sacks, tackles for loss and turnovers gained.

The Irish were the last team in the FBS to surrender more than 20 points in a game in 2017. Notre Dame allowed 20 points or less over each of their first eight games.

The Irish allowed only four plays of 40 yards or longer in 2017 — the second-fewest of any team in the FBS. By comparison, Notre Dame yielded 12 in 2016 and 15 in 2015.

The Irish allowed only one play of 50 yards or longer in 2017 — the second-fewest of any team in the FBS. By comparison, Notre Dame

yielded 10 in 2016 and nine in 2015.

The Irish ranked first or second in the FBS in fewest completions allowed of at least 30 yards (second, nine), 40 yards (first, one) and 50 yards (first, zero).

Notre Dame was the only FBS school to yield one or fewer pass plays of 40 yards or longer in 2017. By comparison, Notre Dame allowed eight completions of 40 yards or longer and seven of 50 yards or longer in 2016.

Notre Dame's defensive line combined for 16.5 sacks in 2017. The Irish defensive line in 2016 accounted for a total of 3.0 sacks (and both of the players that combined for those 3.0 sacks graduated).

Notre Dame's linebacker unit (which included Te'von Coney, Drue Tranquill, Nyles Morgan and Greer Martini) all registered at least 75 tackles — a first in school history.

Despite starting just seven games in 2017, Coney led Notre Dame in tackles (116), tackles for loss (13.5) and finished second on the Irish in sacks (3.0). Coney recorded a career-best 17 tackles in the 21-17 victory over LSU in the 2018 Overton Citrus Bowl. The 17 stops were the most by any player in a bowl game last season.

Tranquill, in his first season at linebacker after converting from safety, totaled 85 tackles, 10.5 tackles for loss, 1.5 sacks, three fumble recoveries, four passes defended, one interception and one forced fumble. Morgan and Martini registered 92 and 75 stops, respectively, and Morgan collected 7.0 tackles for loss.

Julian Love became the eighth Irish player in school history to return two interceptions for touchdowns in a season. He finished second in the FBS in pass breakups (20), passes defended (23) and passes defended/gm (1.77). Love was the first FBS underclassman (freshman or sophomore) to average more than 1.77 passes defended/game since Aqib Talib, Kansas, 2006 (2.8).

The 2015 regular season did not exactly start as many within the program might have hoped. The Irish lost projected defensive front-line standout Jarron Jones and likely freshman secondary contributor Shaun Crawford in preseason camp.

Then take a look at the depth chart for the Notre Dame opener against Texas: It included starting quarterback Malik Zaire, starting running back Tarean Folston, backup running back C.J. Prosise, starting tight end Durham Smythe, rookie wide receiver Equanimeous St. Brown, starting linebacker James Onwualu, starting cornerback KeiVarae Russell, experienced safeties Drue Tranquill and Avery Sebastian, none of whom would be in uniform for the finale at Stanford.

Along the way, the Irish were forced to use 38 different players in the starting lineup, yet still won 10 games (10-3) against a schedule that featured five teams ranked in the final College Football Playoff rankings. The three losses all came against teams that were ranked in the top five of the final AP poll — vs. No. 4 Ohio State, at No. 2 Clemson and at No. 3 Stanford — and two came by two points and, for all intents and purposes, decided on the game's final play.

In 2015 Notre Dame featured one of the most explosive offenses in college football. The Irish averaged 34.2 points per game, not far off of the school record for points per game of 37.6 set in 1968 and its best average since 2005 when Notre Dame posted 36.7 points per game. Notre Dame averaged 466.4 yards of total offense per game, including three outings with over 500 yards of total offense (Texas, UMass and Stanford). The Irish have averaged more yards of total offense per game just once (2005) since setting the school record of 510.5 yards of total offense per game.

Following the season-ending injury to Zaire in just the second game, Kelly turned the offense over to sophomore quarterback DeShone Kizer. Despite having minimal playing experience, Kizer proved to be one of the better first-year signal callers in school history. He threw for 2,884 yards and 21 touchdowns (in 13 games and 11 starts). Kizer added 520 yards rushing and a then quarterback school record 10 TDs on the ground. He registered 3,404 yards of total offense. In single-season school history, Kizer ranked fourth in completion percentage (63.0), seventh in passing efficiency (150.0), seventh in TD passes, seventh in passing yards, tied for seventh in 300-yard passing games (two), eighth

in completions (211), ninth in pass attempts (335) and 10th in passing yards per game (221.8).

Kizer benefited from a dominant offensive line, punishing running game and dynamic passing attack. Senior LT Ronnie Stanley became the first Irish offensive lineman to earn consensus All-America honors since Aaron Taylor in 1993. Senior RB C.J. Prosise ran for 1,032 yards and 11 touchdowns in his first year at the position. Prosise eclipsed the 1,000-yard rushing barrier faster than all but one previous player in Notre Dame history (Reggie Brooks, 1992). While Prosise and freshman James Adams (835 yards on 117 carries) did the damage on the ground, junior Will Fuller took advantage through the air. The All-American and Biletnikoff Award semifinalist backed up a record-setting sophomore campaign in 2014 with another incredible season in 2015. Fuller caught 62 passes for 1,258 yards and 14 TDs. His 29 TDs and 2,352 receiving yards over the 2014-15 seasons combined rank first and second, respectively, among Irish wideouts over any two-year span in school history.

Junior LB Jaylon Smith and senior DL Sheldon Day led the Irish defense with All-America caliber campaigns.

Smith, the Butkus Award recipient as well as a consensus All-American, led Notre Dame in total tackles (114), solo tackles (69), assisted tackles (45), pass breakups (five) and fumble recoveries (two). He ranked third on the team with his nine tackles for loss. Smith was the first Notre Dame player with at least 113 tackles, nine tackles for loss and five passes defended since Courtney Watson in 2003. He was one of just three players at a contract bowl eligible school in 2015 with at least 113 tackles, nine TFLs and five passes defended.

Smith turned in some of his best individual performances late in the season, recording at least 10 tackles in five of Notre Dame's last seven games, including a career-high 15 at No. 9 Stanford on Nov. 28. In that game, the Irish held Heisman Trophy finalist Christian McCaffrey to just 94 yards rushing and 113 offensive yards, both his lowest totals over the Cardinal's final 12 games of the season.

Day registered 45 tackles, 33 solo stops, 15.5 tackles for loss, four sacks, 13 quarterback hurries, four passes defended, four pass breakups and two forced fumbles. He led the Irish in tackles for loss and quarterback hurries. His 15.5 tackles for loss were the most by an Irish player since 2006. He had at least one TFL in 11 different games and recorded multiple TFLs in four games.

The Irish saw an offensive renaissance in 2014, with Notre Dame averaging 32.8 points per game, its best mark since 2005. The Irish improved by an average of over 39 yards per game from their 2013 total offense mark, running an average of 6.1 more snaps per contest. Notre Dame's 444.9 yards per game of total offense are also the highest average of Kelly's tenure.

Notre Dame scored at least 27 points a school-record 11 times in 2014. In fact, the Irish accomplished the feat in 10 of their first 11 games, which had not happened since 2005 and has never been eclipsed in school history. The Irish were particularly hot at the start of the 2014 season. Notre Dame scored at least 30 points in each of its first four games for the first time since 1943. Meanwhile, the Irish defense allowed just 46 points over those first four games, all victories by at least 16 points. It marked the first time since 1972 that Notre Dame started a season 4-0 with each win coming by 16 points or more.

The highlight of the dominant early season run came under the lights at Notre Dame Stadium on Sept. 6, when Notre Dame shut out Michigan, 31-0. The Wolverines won an NCAA-record streak of 365 games without being shut out snapped that night. In addition to being Michigan's first time being shut out since 1984, it was the school's most lopsided shutout loss since 1967 and its first non-conference shutout loss since 1926.

Notre Dame started 20 different players on defense in 2014 with only three (CB Cole Luke, DL Isaac Rochell and LB Jaylon Smith) starting all 13 games. Of the 20 defensive starters, 12 were making their first career start on defense and three others had just a single start prior to last year.

A Butkus Award finalist, Smith led the unit with 112 tackles in 2014, the most by a Notre Dame player since Heisman Trophy runner-up Manti Te'o stopped 113 ball-carriers in 2012. The Irish proved potent in the

secondary, recording 16 interceptions on the season, ranking tied for 15th in the nation. Notre Dame intercepted a pass in each of its first 11 games and held a national-best active streak of 14 consecutive games with an interception before seeing it halted at USC.

Kelly's ideal of well-rounded student-athlete values were on display when sophomore Corey Robinson became the first sophomore since 2008, and just the fourth since 2002, to earn first-team Capital One Academic All-America honors. The wide receiver caught 40 passes on the year for 539 yards and five touchdowns. Robinson boasts a 3.83 cumulative grade-point average and has an extensive record of community service work, including holding leadership positions on the University's Student Government Executive Cabinet and the school's Student-Athlete Advisory Committee.

The 2013 defense saw an unusually high number of players gain valuable experience. Twenty-six different Notre Dame players made at least 10 tackles. The Irish last had at least 26 different players reach double digits when 29 different Irish tacklers reached that milestone in 1962. Over that 51-year span, Notre Dame has seen no more than 23 double-digit tacklers, a sum reached four other times (1977, 1991, 2003 and 2011). Eleven different Notre Dame defensive players that opened 2013 in the two-deep depth chart missed at least three games due to injury, and 19 different Notre Dame defensive players started a game in 2013.

The 2012 defense led the nation in two different categories and ranked among the top 10 in more, including total rushing touchdowns allowed (four, 1st), red-zone rushing touchdowns allowed (four, 1st), scoring defense (12.77, 2nd), points allowed per red-zone trip (3.4, 2nd), passing yards/completion (9.95, 2nd), red-zone touchdowns allowed percentage (34.21%, 3rd), total red-zone touchdowns allowed (13, 3rd), red-zone points allowed (130, 4th), total passing touchdowns (10, 6th), total defense (305.46, 7th), red-zone defense (68.4%, 7th) and first downs allowed (17.00, 8th).

Notre Dame allowed just 12.77 points per game in '12 and was one of only three FBS top-10 scoring defenses to exclusively face FBS competition. The Irish allowed only 16 touchdowns (15 offensive) — four touchdowns fewer than any other FBS school — and allowed just 166 points over their 13 games, the fewest points surrendered over such a stretch in school history. In fact, they allowed just 12 offensive touchdowns over their last 11 games, holding six opponents without an offensive touchdown and nine to one or fewer offensive touchdowns.

The 2012 offense averaged 189.4 yards rushing (2,462 yards in 13 games) and 222.8 yards passing (2,896). Notre Dame nearly became the third team in school history to average 200+ yards in both categories. The two teams to accomplish the feat were the 1977 national champions (231.9 rushing and 208.1 passing), and the 1970 squad that finished No. 2 (257.8 rushing and 252.7 passing). Notre Dame was one of 26 teams in the FBS to average at least 189 yards on the ground and 200 yards in the air. The Irish averaged 4.9 yards/rush, their highest per carry average over the previous 16 years. The 189.4 rushing yards/game was the third-highest per game average over the previous 15 years. Only the 2000 (213.5) and 1998 (212.5) Irish squads averaged more per game. Notre Dame ran for at least 200 yards seven times, including six of the year's last nine contests. The Irish had not posted more 200+ yard rushing games in a single season since 1996.

In 2012, Te'o became the 32nd unanimous All-American in Notre Dame history, and the first Irish defensive player to earn such an honor since cornerback Shane Walton in 2002. Te'o was named a first-team All-American as the Football Writers Association of America, American Football Coaches Association, Sporting News, the Walter Camp Football Foundation and the Associated Press selected him to their respective All-America squads.

Te'o qualified as Notre Dame's fourth unanimous All-America linebacker and first since Michael Stonebreaker in 1990 — also joining the likes of Jim Lynch (1966) and Bob Golic (1978).

Te'o became Notre Dame's first Heisman Trophy finalist since quarterback Brady Quinn in 2006. He finished second with 321 first-place votes and 1,706 points — the most by a defensive player in college football

history. Te'o nearly became the third player to be named a first-team Academic All-American and win the Heisman Trophy in the same year, joining Pete Dawkins (Army) in 1958 and Danny Wuerffel (Florida) in 1996.

Te'o captured the Lott Trophy, Nagurski Trophy, Butkus Award, Lombardi Award, Bednarik Award, Maxwell Award and Walter Camp Award. He became the first player in college football history to sweep the aforementioned seven awards. In fact, no other player in college football history had ever captured more than five major awards in one season.

Tyler Eifert finished his career as the most prolific tight end in Notre Dame history. The 2012 John Mackey Award winner, Eifert holds the school record for career receptions (140) and career receiving yards (1,840) by an Irish tight end. He bested Ken MacAfee's school records in both career categories that had stood since 1977. Eifert also holds single-season school records for receptions (63) and receiving yards (803) by a Notre Dame tight end.

Eifert was named a first-team All-American by Pro Football Weekly and second-team All-American by the Associated Press, Sporting News, Sports Illustrated, the Walter Camp Football Foundation and CBS Sports.com.

Te'o and Mike Golic Jr. were selected as first-team members on the 2012 Capital One Academic All-America® Football Team which is selected annually by CoSIDA (College Sports Information Directors of America). The last time Notre Dame had two football players earn first-team academic honors in the same year was in 1987 (Ted Gradel and Vince Phelan).

The 2011 defense ranked 30th in the nation in yards allowed per game, a vast improvement from the defense Kelly inherited that ranked 86th in that category in 2009. The Irish ranked in the top 50 nationally in total defense, scoring defense, rushing defense and passing defense in 2011, marking just the second time in the last nine seasons Notre Dame had ranked that high in all four categories.

Notre Dame was one of 24 schools that opened 2011 with a 0-2 record, but was one of only three teams (Georgia and Western Kentucky being the others) to rebound and have a winning season. In the 11 years from 2001-11, 275 FBS teams started 0-2 and Notre Dame became one of only 27 schools that won at least eight of its next 10 games. The Irish offense that Kelly directed eclipsed 500 yards of offense in five games, equal to the combined number of 500-yard games Notre Dame tallied in the previous five seasons. Notre Dame scored at least 45 points in three games in 2011, the most by an Irish offense since 1996.

The Irish were led on offense by wide receiver Michael Floyd's school-record 100 receptions and the running back duo of Cierre Wood and Jonas Gray, who combined for 1,893 yards and 21 touchdowns. Floyd capped his career by breaking former teammate Golden Tate's two-year-old school record of single-season receptions. Wood and Gray formed a potent one-two punch out of the backfield. The tandem was one of only three running back duos in the FBS that featured each player having at least nine rushing TDs in the 2011 regular season. The other two running back teammates played on the high-octane offenses at Oregon and Oklahoma State.

Defensively, Notre Dame held 12 of 13 teams below their season scoring average and held 11 of 13 schools below their season rushing average. When Kelly arrived at Notre Dame, the Irish were coming off a season where the defense ranked 86th in the nation in total defense at 397.8 yards per game. Two years later, Notre Dame's defense ranked 30th in yards allowed per game at 344.7 and was 25th in scoring defense.

Te'o was named a finalist for the 2011 Butkus Award and Lott Trophy after leading Notre Dame with 128 tackles, 13.5 tackles for loss and five sacks. Safety and team captain Harrison Smith paced the secondary with 90 tackles and 10 pass breakups.

Following the season, Floyd and Smith both were selected in the first round of the NFL Draft. Floyd was chosen 13th overall by Arizona, while Minnesota tabbed Smith with the 29th selection. It marked the first time since 1994 that Notre Dame had multiple first-round NFL draft

picks. Combined with Kyle Rudolph being drafted 43rd overall in the 2011 NFL Draft, Kelly became the first Notre Dame coach in 17 seasons to produce three players selected in the first 43 picks of consecutive NFL drafts.

Despite enduring a slew of injuries at key positions, Kelly's first Irish squad in 2010 came on strong to play perfectly in November. In addition to a convincing 28-3 victory over once-beaten and 15th-ranked Utah (Notre Dame's widest margin over an Associated Press Top 20 opponent in 14 years), the Irish defeated Army in the first football game played at the new Yankee Stadium — then ended an eight-game losing streak to arch-rival USC with a come-from-behind win at the Los Angeles Coliseum. Then, in the convincing 33-17 Hyundai Sun Bowl triumph against Miami, the Irish charged to a 30-3 lead after three periods, as Kelly became the first Notre Dame football coach to record a bowl victory in his first season on the Notre Dame sidelines.

The Irish success down the stretch came mainly because of their defense, as Notre Dame went 13 consecutive periods over one late four-game stretch without allowing an offensive touchdown (the best sequence in that category in 30 years). In those final four wins Notre Dame's defense limited the Utes, Black Knights, Trojans and Hurricanes to combined averages of 9.8 points (best stretch for an Irish team since 1989), 91.8 yards on the ground and 276.5 total yards. In the last four contests, the Irish defense faced teams that were averaging 38 (Tulsa), 41 (Utah), 31 (Army) and 32 (USC) points per game, yet yielded only two offensive touchdowns, combined, to that quartet. Among individual defensive leaders was Te'o, Notre Dame's top tackler in 2010 with 133 and a semifinalist for the Chuck Bednarik Award and Butkus Award. Each of those four victories came in the first four career starts by Tommy Rees, following a season-ending injury to Dayne Crist. Among the pacesetters for Kelly's spread offense was Floyd who caught 79 balls in 2010 for 1,025 yards and 12 touchdowns and was named the MVP of the Hyundai Sun Bowl (six catches for 109 yards and two TDs in that contest).

Meanwhile, the Irish kicking game also sparked in 2010, thanks to placekicker David Ruff, who successfully converted his first 18 field-goal attempts (18-of-19 overall in 2010 and 23-of-24 in his career). Ruff became one of three finalists for the Lou Groza Collegiate Place-Kicker Award as the top placekicker in the nation.

Kelly's debut season in South Bend saw the 2010 Irish play arguably the most difficult schedule in the country, as all but one of the Notre Dame opponents finished .500 or better — something no other team could claim. Notre Dame's agenda ranked first nationally in the official NCAA schedule strength standings at the end of the regular season, with Irish opponents playing at a .652 clip (79-42).

On the academic side, Kelly's first season at Notre Dame featured a first-team Academic All-America honor for Ruff, an \$18,000 postgraduate scholarship for offensive lineman Chris Stewart (he attended law school at Notre Dame during the 2010 season) as a National Football Foundation National Scholar-Athlete selection — and a first-place finish by Notre Dame among all FBS programs in the latest NCAA Graduation Success Rate standings with a 96 mark. In 2011, Te'o was named a second-team Academic All-American, and Notre Dame, once again, led all FBS programs in NCAA Graduation Success Rate standings with a 97 score.

KELLY ERA AT CINCINNATI

Architect of two consecutive BC's appearances at the University of Cincinnati, including a perfect 12-0 regular season in 2009 that earned him national coach of the year honors. Kelly earned the ESPN/Home Depot National Coach of the Year Award in 2009, was the BIG EAST Conference Coach of the Year in 2007, 2008 and 2009 (the first time a BIG EAST football coach won the award in three straight years). He was also a finalist for four other national awards in 2009 — the Eddie Robinson Coach of the Year Award (Football Writers Association of America), the Bear Bryant Coach of the Year Award (National Sportscasters and Sportswriters Association), the Liberty Mutual Coach of the Year Award and the George Munger Coach of the Year Award (Maxwell Football Club).

He boasted a 2-1 record at Cincinnati in postseason bowl games —

including a 27-24 win over Western Michigan in the International Bowl after the 2006 season (he coached in that game immediately after taking the job at Cincinnati), a 31-21 win over Southern Mississippi in the Papajohns.com Bowl after the '07 season and a 20-7 loss to Virginia Tech in the FedEx Orange Bowl after the '08 campaign. His 12-0 team in '09 earned an Allstate Sugar Bowl assignment against once-beaten Florida.

Kelly's '09 team at Cincinnati finished third in the final BCS standings and fourth in both the final regular-season Associated Press and USA Today/ESPN polls. His '08 team ended up 11-3 and 17th in both polls — and his '07 Bearcat squad finished 10-3 and 17th (AP) and 20th (USA Today/ESPN) in the final polls.

Through the end of the 2009 regular season, his Cincinnati team won all 12 of its games, led the nation in passing efficiency (166.19), ranked second in kickoff returns (29.2 each) and sixth in total offense (464.25 yards per game), passing yardage (320.33) and scoring (39.83 points). Meanwhile, Kelly's Bearcat defense rated third nationally in tackles for loss (8.42 per game) and eighth in sacks (2.92). The '09 Cincinnati squad set Bearcat single-season records for points (495), passing yards (3,844), fewest fumbles (10), fewest fumbles lost (two) and fewest turnovers (10). Cincinnati concluded the '09 campaign with a record 18 straight regular-season victories.

Among the standouts Kelly coached on the '09 Bearcat roster were first-team All-America receiver Mardy Gilyard (he ranked second nationally in all-purpose yards at 203.5 per game at the end of the regular season) and quarterback Tony Pike (ninth in passing efficiency at 155.36). Eleven Cincinnati players merited all-BIG EAST honors for '09 (five first-team selections), including Gilyard, the league's Special Teams Player of the Year for the second straight season.

In three years at the helm of the program, Kelly put together a 34-6 record and led the Bearcats to their first two BIG EAST championships in 2008 and '09. Cincinnati achieved a then-school-record 11 victories in 2008, followed that up with a dozen wins in '09 and had back-to-back-to-back 10-win seasons for the first time in school history. Kelly's Bearcats in '08 won the school's first outright conference championship since 1964 and earned the school's first berth in a BCS game, playing against Virginia Tech in the 75th FedEx Orange Bowl. In '08, Cincinnati achieved its then-highest ranking to date the regular season — 12th in the AP and USA Today/ESPN polls and the BCS standings entering the Orange Bowl. The Bearcats held a postseason ranking of 17th in both polls, tying the top postseason ranking in school history.

Following the close of the '08 regular season, Kelly was named the BIG EAST Coach of the Year for the second straight season. He also was named the American Football Monthly Schutt Sports FBS Coach of the Year, earned AFCA Region 1 Coach of the Year honors and was named BIG EAST Coach of the Year by Sporting News.

Cincinnati placed 10 players on the 2008 all-BIG EAST teams (including first-team selection Connor Barwin) — with kick returner Gilyard named the BIG EAST Special Teams Player of the Year and punter Kevin Huber earning the first AFCA All-America nod in program history. Huber became the first two-time AP first-team All-America selection in Bearcat football history.

The Bearcats' 27-24 bowl victory over Western Michigan in 2006 came just 34 days after Kelly was hired. Then, in his first full season at the helm in '07, he put Cincinnati on the national radar by jumping out to a 6-0 start and earning the Bearcats their first appearance in the polls in more than 30 years. By winning 10 games for the first time since 1951, Cincinnati earned its 10th bowl appearance in program history and sixth bowl appearance in eight years. The Bearcats finished 17th in the AP poll and 20th in the USA Today/ESPN rankings, earning their first appearances in the final polls.

Along the way to the 2007 Papajohns.com Bowl victory (the Bearcats' third straight bowl win), Kelly earned BIG EAST Coach of the Year honors. Cincinnati listed seven individuals on the all-BIG EAST teams, including BIG EAST Special Teams Player of the Year and consensus All-America punter Huber. The national leader in punting, Huber was one of three Bearcats to be named to an All-America team. Cincinnati ranked second

in the BIG EAST and 24th nationally in passing offense (254.1), and also was second in the league and 27th nationally in passing efficiency (139.4). At the same time, the Bearcat defense led the BIG EAST in sacks (2.9) and tackles for a loss (6.5). Kelly's Bearcats led the FBS in net punting (41.5 yards per punt), and Cincinnati also paced the BIG EAST in kickoff returns (24.2).

KELLY ERA AT CENTRAL MICHIGAN

During his three years at Central Michigan, Kelly transformed a Chippewa program that had won more than three games only once in the past four seasons into a conference champion. Central Michigan posted a 9-4 regular-season record in 2006 en route to winning the MAC title and qualifying for its first bowl game in 12 years. Kelly guided the Chippewas to a 4-7 record in 2004 and a 6-5 mark — the school's first winning season in seven years — in 2005.

The Chippewas in 2005 defeated both defending MAC divisional champions, Miami and Toledo, and also knocked off eventual '05 league champ Akron. Central Michigan ranked first nationally in fewest turnovers (10) and fewest fumbles lost (four), while the team's rushing defense ranked 20th and led the MAC at 113.7 yards per game (compared to 245.8 in '03 — the year before Kelly arrived).

In 2006, Central Michigan rolled to a 7-1 record in conference play to win the MAC West and then dominated Ohio, 31-10, in the league championship game. Central Michigan boasted the 19th-most prolific passing attack in the nation, averaging 252.4 yards per game, set a Chippewa single-season record with 28 TD passes and led the MAC in total offense (375.3 yards per game) and scoring (29.7 points). MAC Freshman of the Year Dan LeFevour passed for 2,869 yards and 25 TDs to rank 20th nationally in passing efficiency and 14th in total offense.

Kelly had 12 of his players achieve first-team all-conference honors over his three years at Central Michigan (including '05 MAC Defensive Player of the Year Daniel Bazuin) — and three advanced to the NFL (including 2005 draftees Eric Ghiacuic and Adam Kieft and free agent Tory Humphrey). Bazuin, who led the nation in '05 in tackles for loss, also was an '06 first-team Academic All-American.

KELLY ERA AT GRAND VALLEY STATE

Kelly arrived at Central Michigan after winning back-to-back NCAA Division II national titles at Grand Valley State in Allendale, Michigan. The all-time winningest program in NCAA Division II history, the Lakers were 41-2 in Kelly's final three seasons, at one point winning 32 consecutive games. Grand Valley State went 14-0 in 2002 en route to its first national title and was 14-1 in 2003 when it claimed its second crown. Kelly was named the AFCA Division II Coach of the Year after both seasons.

Kelly led the Lakers to five conference titles (1992-97-98-2001-02) and six Division II playoff appearances in his 13 seasons at Grand Valley. The Lakers never finished lower than third in the Great Lakes Intercollegiate Athletics Conference.

Kelly mentored a pair of finalists for the Harlon Hill Award, presented annually to the top player in Division II. Quarterback Curt Anes won the award in 2002 after finishing as runner-up in 2001. He threw for 10,581 career yards and 114 TD passes — 48 in '01 and 47 in '02 (12 games with at least five TD passes). Anes still holds the NCAA Division II single-season passing efficiency record for '01 at 221.6 (189 for 271 for 3,086 yards, with 21 TDs, three interceptions). Quarterback Jeff Fox was third in the balloting in 1998, as he became the first Laker quarterback to throw for more than 2,000 yards in multiple seasons. Kelly's Grand Valley State players earned 77 All-America awards (11 in 2002 alone). Four players moved on to the NFL and another three to the Canadian Football League.

His 2001 national runner-up squad set 77 NCAA, GLIAC and school records, including the Division II scoring record by averaging 58.4 points per game (and an average victory margin of 48.0 points). The 2001 team also became the first Division II unit in 53 years to average more than 600 yards per game in total offense (600.8), leading the nation in that category.

Grand Valley State followed its record-shattering 2001 season by averaging 497.5 yards and a nation-leading 46.7 points during its undefeated 2002 national championship run in which Kelly's squad went wire-to-wire as the top-rated Division II squad. That '02 campaign ended with a 31-24 championship game win over second-ranked and unbeaten Valdosta State — as All-America receiver David Kircus caught 11 passes for 270 yards and three TDs. Kircus holds the NCAA Division II season record for TD receptions with 35 in '02, catching at least one TD pass in 24 straight games in 2001-02. He ended his career with 4,142 receiving yards and 76 TD catches and led the nation (Division II) in scoring in both '01 and '02.

The 2003 team, meanwhile, became more noted for its defense, leading the country in rushing defense at 62.0 yards per game. The Lakers defeated North Dakota 10-3 in the 2003 national title game (played annually in Florence, Alabama). In 10 of his 13 seasons at Grand Valley State, Kelly's teams won eight or more games — and he finished with a 103-22-2 mark in GLIAC contests. The seniors on his final team in '03 won 47 of their final 49 games (and finished 34-4 in four seasons of GLIAC play) and won 20 straight games in 2002-03. Kicker David Hendrix led the nation in '03 with 25 field goals.

KELLY OFF THE GRIDIRON

Born in Everett, Massachusetts, and raised in Chelsea, Massachusetts, Kelly attended St. John's Prep School in Danvers, Massachusetts. He was a four-year letter-winner at Assumption College (Worcester, Massachusetts) as a linebacker, captaining the squad in both '81 and '82 under coach Paul Cantiani on teams that finished 8-3 and 7-1-1. After graduating from Assumption in 1983 with a bachelor's degree in political science, he served as linebacker coach and defensive coordinator (as well as softball coach) from 1983-86 at Assumption under head football coach Bernie Gaughan.

Kelly was invited back to Assumption in 2012 where he served as commencement speaker and received an honorary degree from his alma mater. Kelly also endowed a \$250,000 scholarship for Assumption football players.

Kelly joined the Grand Valley State staff in 1987 as a graduate assistant and defensive backs coach. He became the defensive coordinator and recruiting coordinator in 1989 and took over (at age 28) as head coach in 1991 (replacing Tom Beck, who left to become running backs coach at Notre Dame under Lou Holtz). His first Laker team finished 9-3 and qualified for the NCAA playoffs. In 2009, Kelly was inducted into the Grand Valley State Athletics Hall of Fame and in 2011, Grand Valley State renamed its Laker Turf Building the Kelly Family Sports Center. The Kelly Family Sports Center is a 138,000 square-foot building that houses a regulation football field, a six-lane, 300-meter track, all of the amenities for field events, batting cages that drop from the ceiling, an athletic training room, locker rooms, multi-purpose rooms, classrooms, bleacher seating for 800 in the grandstand and bleachers on the field level for another 260 spectators. In addition to intercollegiate athletics, the movement science department, campus recreation/intramurals and club sports also use the facility.

Considering his wife Paqui is a two-time breast cancer survivor, it's hardly surprising that Kelly and his wife have collaborated to fully embrace the fight against cancer.

In June 2010, Brian and Paqui made a \$250,000 gift to the University of Notre Dame in support of endeavors in research, academics and community engagement. The benefaction directly supports three Notre Dame initiatives — cancer research, the Hesburgh Libraries and the Robinson Community Learning Center (RCLC). In the area of cancer research — the fight against breast cancer is a deeply personal cause for the Kelly family — the gift benefits the Mike and Josie Harper Cancer Research Institute that opened in 2011 in Notre Dame's new Harper Hall. The institute brings together scientists from Notre Dame and Indiana University School of Medicine-South Bend to collaborate to advance basic and clinical research as it pertains to the diagnosis, treatment and prevention of cancer.

The Kelly Cares Foundation, now in its ninth year, has established

itself as a "Playbook for Hope." The Foundation's mission strengthens communities and inspires hope by investing resources to improve health and education. The communities touched by the Foundation are a model of educational success and wellness that provide hope and inspiration to all.

Since its founding in 2008, the Kelly Cares Foundation has donated nearly \$4.2 million to support causes locally, nationally and globally. Some notable organizations that have received contributions from the Foundation include the Breast Cancer Research Foundation, The Paqui and Brian Kelly Comprehensive Breast Center, The University of Notre Dame, Breezy Point Disaster Relief Fund, Andean Health Global, Ronald McDonald House Charities, Memorial Children's Hospital, Boys & Girls Club, and the YMCA.

The Kelly Cares Foundation hosts a series of events throughout the year. Starting with its largest fundraiser, the Irish Eyes Gala, held annually in New York City, followed by Football 101, a ladies only clinic held at the Notre Dame football facilities, a golf invitational, Game Day Chase 5K/10K held on a Notre Dame home football weekend, and Paqui's Playbook — October series of events focusing on breast cancer research and patient advocacy.

In 2014 Saint Joseph Health System announced the creation of the new Paqui and Brian Kelly Comprehensive Breast Center (CBC), which offers a team of dedicated professionals and state-of-the-art services, and was advanced by a generous gift from the Kelly Cares Foundation.

The Paqui and Brian Kelly CBC delivers specialized care for all aspects of breast health, setting the standard of care in Michiana. The Paqui and Brian Kelly CBC allows women access to:

- Evaluation/treatment for a variety of benign breast diseases, as well as breast cancer
- The highest quality screening, detection and diagnostic technology, including 3D mammography and molecular breast imaging
- A peaceful, comfortable patient-centered environment
- Access to forward-thinking clinical trials and research
- Comprehensive genetic screening, genetic testing and genetic counseling services
- Individualized patient consultation, education, treatment and community support resources
- A multidisciplinary team approach to breast cancer that ensures all patient cases are reviewed by a team of experts who work closely with the patient to create an individualized treatment plan
- Reconstructive surgery, survivorship and rehabilitation

In 2016 the Kelly Cares Foundation donated \$100,000 to Ronald McDonald House Charities of Michiana. RMHC of Michiana started construction of a new Ronald McDonald House, a home-away-from-home for families of seriously ill and injured children. The new 20-bedroom house will be located in the Skyway Building across from Memorial Children's Hospital.

Kelly and his wife Francisca (Paqui) are parents of three children — Patrick, Grace and Kenzel.

University and Media Information

THE NFL DRAFT UNDER BRIAN KELLY

- Notre Dame has had 38 players selected in the NFL Draft since 2012. Only nine schools in the nation have had more draft picks over the same span. Kelly has done this while also maintaining a program that ranks among the top four in the NCAA's annual Graduation Success Rate.
- Kelly had a first-round pick in three straight NFL Drafts: Michael Floyd (2012), Harrison Smith (2012), Tyler Eifert (2013) and Zack Martin (2014). The program had not accomplished the feat since 1991-94.
- Nine Notre Dame players have been selected in the first round of the NFL Draft since 2012, which ranks as the third-most in the FBS over the span. The Irish have as many first-round picks since 2012 than Oklahoma (four) and Michigan (five) combined.

NOTRE DAME FIRST-ROUND NFL DRAFT PICKS

Years	First Round Picks
1995-2011 (17 drafts)	4
2012-2019 (8 drafts)	9

Rank	School	First Round Draft Picks*
1.	Alabama	22
2.	Ohio State	14
3.	Notre Dame	9
	Florida	9
	LSU	9
	Florida State	9

* Since 2012

- Notre Dame has had 15 players selected in the top two rounds of the draft since 2012 — fifth-most in the FBS over the span. Michigan (seven), Tennessee (four) and Texas (three) have combined to produce 14.

Rank	School	Top-Two Round Draft Picks*
1.	Alabama	36
2.	Ohio State	25
3.	LSU	21
4.	Florida State	19
5.	Notre Dame	15
	Florida	15
	Clemson	15

* Since 2012

- Kelly has produced three times as many first-round NFL Draft picks (nine) as the three previous Notre Dame head coaches combined (three). Only Ara Parseghian (12), Lou Holtz (12) and Frank Leahy (10) have produced more first-round picks during their entire Irish coaching tenures.

Rank	Coach (Tenure)	First Rounders	NFL Drafts
1.	Lou Holtz (1986-96)	12	11
	Ara Parseghian (1964-74)	12	11
3.	Frank Leahy (1941-43, 46-53)	10	11
4.	Brian Kelly (2010-)	9	9

- Notre Dame is the first school in 37 years and just the second in NFL Draft history to have four offensive linemen selected in the top 16 picks over a five-year span.
- Notre Dame has had four offensive linemen drafted in the first round of the NFL Draft since 2014 — the most of any school in the FBS.

Player (Draft Year)	Round (overall selection, team)
Quenton Nelson (2018)	1 (6, Indianapolis Colts)
Mike McGlinchey (2018)	1 (9, San Francisco 49ers)
Ronnie Stanley (2016)	1 (6, Baltimore Ravens)
Zack Martin (2014)	1 (16, Dallas Cowboys)

- Nelson was the highest-selected offensive guard in the NFL Draft since Bill Fralic went second overall to the Atlanta Falcons in 1985.
- Nelson and McGlinchey were the first two offensive linemen selected in the 2018 NFL Draft. It marked the first time since 1991 that the top two offensive linemen drafted were from the same school.
- It marked just the third time in the last 60 years that the top two offensive linemen drafted were from the same school.
- In the past six drafts, Notre Dame has seen six offensive linemen selected in the first three rounds in Nelson, Stanley, McGlinchey, Zack Martin, Nick Martin and Chris Watt (third round pick of the San Diego Chargers in 2014). Over the previous 12 years (2002-13), only two Notre Dame offensive linemen were drafted in the first three rounds in Jeff Faine (first round pick of the Cleveland Browns in 2003) and Ryan Harris (third round pick of the Denver Broncos in 2007).
- Notre Dame tight end Alizé Mack was selected in the seventh round of the 2019 NFL Draft by the New Orleans Saints. He was the sixth Irish tight end drafted, four in the top four rounds, under Kelly.
- Mack was the eighth-straight Notre Dame starting tight end chosen in the NFL Draft.
- Notre Dame's opening day starter at tight end has developed into an eventual NFL Draft pick in each of the past 15 seasons.
- With seven picks in the first four rounds of the 2016 NFL Draft, the Irish draft class matched the 1955, '67, '93 and '94 draft classes for the most in school history at this elite stage.
- Notre Dame's seven overall picks tied Alabama and Florida for the fourth-most of any school in 2016. Only Ohio State (12), Clemson (nine) and UCLA (eight) saw more players chosen.
- Notre Dame had six players chosen in the first three rounds of the 2016 NFL Draft. It was the most since the Irish had a school-record seven players selected in the top three rounds of the 1994 draft.
- Notre Dame had four players (Stanley, Will Fuller, Jaylon Smith, Nick Martin) selected in the top 50 picks of the 2016 NFL draft for the first time since 1993 when the Irish had six (Rick Mirer, Jerome Bettis, Tom Carter, Irv Smith, Demetrius DuBose, Reggie Brooks).
- Notre Dame had eight players chosen in the 2014 NFL Draft. The Irish had not had a larger haul in the draft since 1994 when Notre Dame had 10 players selected.
- Notre Dame's eight drafted players were tied for the second most of any school in the nation. LSU led the country with nine selections, while the Irish were tied with Alabama.
- Drue Tranquill continued a trend that has followed Brian Kelly at his previous coaching stops at Central Michigan and Cincinnati. He joined the Notre Dame program as a safety. Tranquill was converted to a linebacker prior to the 2017 season.
- Tranquill joined the likes of KeiVarae Russell, C.J. Prosise, Bennett Jackson and Troy Niklas of Notre Dame, Joe Staley from Central Michigan and Jason Kelce and Connor Barwin from Cincinnati. All eight opened their careers under Kelly at one position before ultimately getting drafted at another position.
- That group does not include NFL All-Pro and former first-round pick J.J. Watt, who Kelly recruited to Central Michigan. Watt ultimately transferred and walked on at Wisconsin.

- Mentored All-American Jerry Tillery in 2018 to his best season in an Irish uniform
- Tillery ranked in the top-five among FBS interior defensive lineman in QB hurries (33, t-2nd) and sacks (8.0, t-4th)

- Irish defensive line registered 16.5 sacks in 2017
- Seven different defensive linemen recorded sacks in 2017, which equals the total number of defensive linemen with sacks over the previous two years combined
- Spearheaded Irish recruiting effort that brought in consensus top-15 classes each of the last two seasons
- Jaylon Smith eclipsed 100 tackles in consecutive seasons and no Power 5 linebacker, other than Smith, made the following claim in 2015: 114 or more tackles, 9.0 TFLs and five PBUs
- Oversaw the Notre Dame special teams units in 2010 and 2011
- Played critical role in the development of Sheldon Day, who was drafted in the fourth round of the 2016 NFL Draft by the Jacksonville Jaguars
- Developed Stephon Tuitt and Louis Nix III into second- and third-round NFL Draft (2014) picks, respectively

- Helped Tuitt finish his career with 21.5 sacks — tied for third in school history

- Led an Irish defensive line that allowed only four rushing touchdowns in 2012 (first did not come until the eighth game of the year) — the fewest in the FBS
- In 2012 Tuitt and Nix III became the first pair of Irish defensive linemen to earn All-America status in same season since 1989
- Oversaw a Notre Dame defensive line that helped hold eight different opponents to under 100 yards rushing in 2012, which was tied for the most of any BCS automatically-qualifying school

- Helped Ricardo Mathews earn second-team all-BIG EAST honors as

he led Cincinnati with 12.5 tackles for loss, and Alex Daniels paced the defensive line with 56 tackles and 8.5 sacks

- Served as Cincinnati's special teams coordinator in 2009 for the third straight season

EVANSTON, Ill. — Notre Dame quarterback Ian Book appeared to have a short memory Saturday night. After struggling in a first half in which Northwestern wrestled No. 4 Notre Dame to a 7-7 deadlock at intermission, Book's second-half performance provided the Dr. Jekyll antidote to the Mr. Hyde of the first two quarters as he led the Irish to a 31-21 triumph at Ryan Field.

BRONX, N.Y. — If the Notre Dame offense led by Ian Book has been the story of the 2018 Irish season so far, it took a back seat Saturday in the Bronx. No, it was the Irish defense — a quietly staunch unit throughout the year — that made the biggest statement in No. 3 Notre Dame's 36-3 victory over No. 12 Syracuse in their Shamrock Series showdown at Yankee Stadium.

LOS ANGELES, Calif. — Undefeated. The No. 3 Notre Dame football team knew an unblemished regular season wouldn't come easy against rival USC, even as the Trojans entered Saturday's primetime contest with a 5-6 record. Indeed, the Irish had to overcome their largest deficit of the season (10 points), but finished on a 24-7 scoring run to leave the Los Angeles Coliseum with 24-17 victory and a 12-0 record.

ARLINGTON, Texas – The University of Notre Dame football team’s undefeated season came to an end Saturday, as the No. 3 Irish fell to No. 2 Clemson 30-3 in the College Football Playoff Semifinal at AT&T Stadium. Injuries and close calls seemed to fall against the Irish on Saturday, as Notre Dame (12-1) saw three of its top defenders leave the field at points. Clemson (14-0) took advantage, outscoring the Irish 20-0 in the second quarter to create distance and while stifling Notre Dame’s offensive attack.

Note: The NCAA decided to include all bowl game statistics along with regular-season statistics starting in 2003. Before the '03 season, all bowl game statistics were not reflected in a player's final year stats and the NCAA decided not to make the ruling retroactive. Therefore, players who participated in bowl games before the 2003 season do not have their respective bowl game statistics reflected on these lists.

* Notre Dame record

NCAA LEADERS

Since the NCAA began producing its annual statistical rankings in 1937, individual Notre Dame players have finished in the final top 10 on 102 occasions.

From 1937 through 1969, all individual rankings were by season totals. Beginning in 1970, most season individual rankings were by per game averages. In total offense, rushing and scoring, it is yards or points per game; in receiving and interceptions, it is catches per game; in punt and kickoff returns, it is yards per return and in field goals, field goals per game. Punting always has been by average.

Beginning in 1970, passers were ranked on completions per game, and starting in 1979, were ranked on efficiency rating points. The all-purpose running rankings have been compiled only since 1970. The field-goal rankings began when the goal posts were widened in 1959. Kick scoring is no longer an active category.

Before 2002, postseason games were not included in NCAA final football statistics or records. Beginning with the 2002 season, all postseason games were included in NCAA final football statistics and records.

Here's a complete listing of all Irish players finishing among the top 10 in any individual statistical category:

Consensus national championship seasons in bold. The coaches poll was switched from United Press International to USA Today in 1991.

In 130 seasons of football beginning in 1887, Notre Dame has had 110 winning years, only 14 seasons with a losing record and only six others with a .500 mark.

The Fighting Irish have had 12 unbeaten, untied seasons, 10 others in which they were unbeaten but suffered one or more ties — and 29 seasons in which only a single loss spoiled an unbeaten record.

Here is a compilation of Notre Dame's outstanding seasons in its football history:

When Rev. Edward F. Sorin, C.S.C., arrived in the northern Indiana wilderness, he had only \$310, three log buildings badly in need of repair and a far-sighted vision of establishing a liberal arts school to meet the growing educational needs of the frontier. He dreamed of building a great university, and in 1842 he founded the University of Notre Dame du Lac.

Over the years, Notre Dame would evolve into a preeminent place for Catholic thought. While becoming one of the top undergraduate institutions in the country, Notre Dame also has been at the cutting edge of research, including such innovations as the transmission of wireless messages and the development of synthetic rubber. Today researchers are achieving breakthroughs in astrophysics, radiation chemistry, environmental sciences, psychology, tropical disease transmission, cancer treatment, robotics, peace/religious studies and nanoelectronics.

The University also has stressed residential life, with four-of-five students living on campus in 31 residence halls that serve as the fo-

cal point of social, spiritual and athletic activities. Notre Dame is one of a handful of universities with a truly national and international student body composed of young men and women who come from more than 90 nations and all 50 states. They attend Notre Dame not only to learn how to think, but to learn how to live, keeping faith with the vision of Father Sorin.

Notre Dame is one of the few universities to regularly rank in the top 20 in the U.S. News & World Report survey of America's best colleges and the Learfield Sports Directors' Cup standings of the best overall athletics programs, and it is the pre-eminent Catholic and faith-based university in the nation. Among many marks of distinction, faculty in the College of Arts and Letters have won 62 fellowships from the National Endowment for the Humanities since 1999, more than for any other university in the country.

REV. JOHN I. JENKINS, C.S.C.
President

Rev. John I. Jenkins, C.S.C., is in his third five-year term as the 17th president of the University of Notre Dame. His vision is for Notre Dame to be the Catholic research university for our time — an institution that unifies, enlightens and heals by engaging in research and scholarship of the first rank while maintaining its distinctive Catholic character and long-time excellence in undergraduate education.

During his tenure, Notre Dame has made significant progress toward its research goal, including selection as the lead partner in the Midwest Institute for Nanoelectronics Discovery and the Center for Low Energy Systems Technology, the creation of the Idea Center at Innovation Park and the construction of a world-class turbomachinery testing facility.

His commitment to undergraduate education has been marked by the Notre Dame Forums, yearlong initiatives that have examined important issues such as religion and world conflict, global health, immigration, education and energy.

The University's Catholic identity has been strengthened during Father Jenkins' tenure in multiple ways, including the appointment of a coordinator for University life initiatives and the construction of multimillion-dollar facilities for the Sacred Music Program, Institute for Church Life, the Center for Social Concerns, and the Institute for Educational Initiatives, which includes the Alliance for Catholic Education.

Father Jenkins earned bachelor's and master's degrees in philosophy from Notre Dame in 1976 and 1978, respectively, and was ordained a priest of the Congregation of Holy Cross in 1983. He holds advanced degrees from Oxford and the Jesuit School of Theology. He is a professor of philosophy and the author of "Knowledge and Faith in Thomas Aquinas."

A native of Omaha, Nebraska, Father Jenkins was born Dec. 17, 1953.

JACK SWARBRICK

University Vice President and James E. Rohr Director of Athletics

John B. "Jack" Swarbrick Jr., a University of Notre Dame graduate now in his 12th year in 2019-20 as Vice President and James E. Rohr Director of Athletics at his alma mater, has attached his signature to a variety of new initiatives during his tenure:

- Launching of Fighting Irish Media — a major enterprise that delivers better information about and access to Notre Dame and its athletic programs via expanded production and distribution of programming.
- Developing a plan for expanding Notre Dame Stadium in order to make it a year-round asset for the University, while also improving the gameday experience for student-athletes and fans.
- That initiative became reality with the 2014 announcement of the Campus Crossroads Project that added new structures to three sides of Notre Dame's home football facility—creating new homes for student activities and recreation, career services, digital media, as well as academic disciplines anthropology, psychology, music and sacred music.
- Building of student-athlete programs to develop leadership skills, increase community service and provide mentoring and career services resources. Meeting the performance needs of Notre Dame student-athletes through establishment of a sports performance division that supports and improves athletic performance through the application of science, medicine and technology.
- Working to create systems and structures to maximize the impact of technical expertise, environments, technology and service delivery on an athlete's ability to optimize performance.

Over the past five years, Swarbrick played a major role in five significant announcements that positively impacted Notre Dame on the national collegiate scene:

- The 2019 launch of the ACC Network on ESPN — a comprehensive linear and digital network that will give fans access to more than 600 exclusive live events from across the conference via a linear channel within the ESPN family of networks and a digital live-events channel - ACC Network Extra.
- Membership for Notre Dame's men's ice hockey program in the Big Ten Conference that began with the 2017-18 season. The Irish joined Michigan, Michigan State, Minnesota, Ohio State, Penn State and Wisconsin to form a seven-team hockey conference. Notre Dame has won Big Ten titles in each of the first two seasons in the league.
- Membership for Notre Dame's athletic teams (other than football and hockey) in the Atlantic Coast Conference that began with the 2013-14 athletic seasons. In football, Notre Dame will play five games per year against ACC opponents and also have full access to the league's list of postseason bowl options.
- An extension of the University's relationship with NBC Sports through the 2025 football season.
- The 2014 announcement of an unmatched 10-year relationship with Under Armour that provides performance footwear, apparel and equipment for Irish athletic programs. In addition to being a shareholder in Under Armour,

Notre Dame collaborates with Under Armour in the areas of sport technology, product development and athlete performance.

- Creation by the Bowl Championship Series of the four-team College Football Playoff, which started with the 2014 season, with Notre Dame maintaining viable access into that system.

Swarbrick's tenure has featured a variety of on-and-off-the-field Notre Dame athletics successes:

- Innovative athletics partnership with Legends and JMI Sports -- two of the leading athletics marketing and hospitality companies in the country -- to oversee Notre Dame's sales, marketing, hospitality, media rights and branding services on a local and national level. The University, through this 12-year agreement, will seek to create and implement unique programs and partnerships with an elite group of companies and brands -- delivering unprecedented levels of engagement, first-class hospitality experiences and recognition.
- NCAA championships in 2018 in women's basketball and fencing (a men's and women's combined championship), 2017 in fencing (a men's and women's combined championship), 2013 in men's soccer, 2011 in fencing (a men's and women's combined championship) and 2010 in women's soccer.
- NCAA runner-up team finishes in 2018 in men's hockey, 2019, 2015, 2014, 2012 and 2011 in women's basketball, 2014 and 2010 in men's lacrosse, 2013 and 2009 in fencing and 2008 in women's soccer.
- NCAA semifinal appearances in women's basketball in 2013, men's lacrosse in 2012 and 2015, hockey in 2011 and 2017, women's tennis in 2009 and 2010, and women's soccer in 2009, plus 2010, 2012, 2015 and 2019 third-place fencing finishes.
- Only men's basketball program in the nation to register NCAA Elite Eight appearances in both 2015 and 2016
- Individual NCAA championships in 2019 by Nick Itkin (fencing-men's foil), the track and field-distance medley relay team, Yared Nuguse (track and field-1,500 meter run), 2018 by Nick Itkin (fencing-men's foil); 2017 by Lee Kiefer (fencing-women's foil), Francesca Russo (fencing-women's sabre); 2016 by Molly Seidel (indoor track and field-3,000 meters, 5,000 meters); 2015 by Lee Kiefer (fencing-foil), Francesca Russo (fencing-women's sabre) and Molly Seidel (cross country; track and field-10,000 meters); 2014 by Gerek Meinhardt (fencing-foil), Lee Kiefer (fencing-foil) and Emma Reaney (women's swimming-200 yard breaststroke); 2013 by Courtney Hurley (fencing-epee) and Lee Kiefer (fencing-foil); 2012 by the track and field distance medley relay team; 2011 by Ariel DeSmet (fencing-foil) and Courtney Hurley (fencing-epee); and 2010 by Gerek Meinhardt (fencing-foil).
- 373 All-America selections and 59 Academic All-America honorees.

Born in Yonkers, New York, and raised in Yonkers and Bloomington, Indiana, Swarbrick is a 1976 magna cum laude graduate of Notre Dame, with a bachelor's degree in economics. Upon graduating from Stanford University Law School in 1980, he accepted a position as an associate in the Indianapolis law firm Baker & Daniels. He was made partner in 1987 and spent 28 years with the firm. Swarbrick became Notre Dame's 12th athletics director on July 16, 2008. He and his wife, Kimberly, are the parents of four children: Kate, a 2010 graduate of Saint Louis University; Connor, a 2011 graduate of Wake Forest University; Cal, a 2014 graduate of TCU; and Christopher, a 2015 graduate of Notre Dame.

For all the legendary players and memorable moments over the past 468 games, Notre Dame Stadium has unquestionably developed a lore of its own. The stadium, which will celebrate its 89th anniversary in 2019 and opened a \$400 million project that united academics and athletics on campus in 2017, continues to be one of the most recognizable and revered structures in the world of sports.

It was the success of Knute Rockne's football teams that prompted the addition of the original Notre Dame Stadium to the University's athletics plant back in 1930. The spirit was imbued by that Rockne era — and has been sustained by seven Heisman Trophy winners and dozens more All-Americans who have competed there — lives on after eight decades of football at Notre Dame Stadium.

Originally designed by Osborn Engineering Company — the same firm that designed Comiskey Park in Chicago and New York's Yankee Stadium and Polo Grounds — the total cost of construction exceeded \$750,000 and it was patterned on a smaller scale after Michigan Stadium. The 1996 season was the final on played with the original capacity of 59,075 fans. A \$50 million renovation adding over 21,000 seats was completed before the 1997 kickoff, bringing capacity to 80,795. Starting in 2017, capacity is 77,622.

Entering 2019, the Irish have played in front of sellout crowds at Notre Dame Stadium in 268 consecutive games and 316 of the last 317 home games have been held before capacity crowds. Every home game starting with the final two home dates in 1964 has been a sellout except one — a 1973 Thanksgiving Day matchup with Air Force. Notre Dame has played 457 games inside Notre Dame Stadium..

2018 Season in Review

History and Records

University and Media Information

When Knute Rockne-designed Notre Dame Stadium opened for business in the autumn of 1930, it was described as “a monument to sportsmanship, a tribute to fighting youth, and an amphitheater devoted to modern athletics.”

Eighty-nine years later, the newest version of the University of Notre Dame’s home for football qualifies as all that and a whole lot more.

Long considered one of the most iconic athletic facilities in the world, Notre Dame Stadium took on a new role in 2017—not only as a centerpiece of the University’s campus and physical plant but also as one of the most effective combinations and commitments to athletics, academics and student life anywhere in major college sports. The stadium location now becomes a day-to-day destination for University students, faculty and staff—representing a perfect melding of old and new.

“The towering spire of the Church (the Basilica of the Sacred Heart) above the new wall, high as it is, carries with the cross at its top the higher purpose of Notre Dame to the surrounding campus. The golden Dome, surmounted by the figure of Our Lady, loses nothing through the . . . new structure, but rather seems to include it in the embracing gesture of the holy hands. . . . No one can come to the new Stadium without absorbing . . . this other, this deeper, Notre Dame.”

That quotation came from an editorial in the October 1930 Notre Dame *Alumnus* magazine—yet it couldn’t be more true today.

For nine decades Notre Dame Stadium has been home to national championship football teams, Heisman Trophy winners and All-Americans—and, in recent years, to the University’s Commencement ceremony. Exactly 22 years ago, in 1997, it added 20,000 new seats to its resume. Now, in 2019, the stadium location includes three structures on the east, west and south sides, as well as extensive renovations on the north end and major game day improvements for fans throughout the venue.

Those upgrades include new wider seats in the lower bowl, upgraded concession and restroom facilities, a 1930s art deco look to the main concourse, nearly 150 television monitors in the concourses, new displays at Gate C honoring Irish football award winners, improved Wi-Fi and connectivity, plus a new video board at the south end of the stadium. The khaki-colored bricks of Notre Dame Stadium remain a familiar sight. But what’s inside those new bricks walls has undergone extensive and substantial changes since the construction and remodeling project began in 2014.

O’NEILL HALL

The relocation of the Department of Music and Sacred Music at Notre Dame provides much needed new space for these growing programs. It also will put music into close proximity to other performing arts departments and programs. Specifically, the building features two rehearsal halls (one medium-sized and the other the large Michuda Family Rehearsal Hall), two formal performance spaces (the LaBar Recital Hall and LaBar Performance Hall), a music library, a music lab for studio production, a lecture hall, classrooms and seminar rooms, numerous practice rooms of varying sizes, four organ practice rooms and faculty offices.

Levels 1 and 2: A 174-seat recital hall, an innovatively designed interdisciplinary performance hall, and the Frank Leahy Gate grand entrance to the stadium.

Level 3: A large music library relocated from the Hesburgh Library, a lecture hall, classrooms, and rehearsal and seminar rooms.

Level 4: A club/lounge for hospitality during football games and for hosting receptions year-round.

Levels 5 and 6: Department of Music and Sacred Music at Notre Dame administrative offices, faculty offices, a music lab for studio production, and practice rooms.

Level 7: Mechanical, with a scoreboard on the exterior. The video board is 96 feet by 54 feet. Just as at Purcell Pavilion and the Compton Family Ice Arena, there will be no advertising or commercials associated with use of the video board.

DUNCAN STUDENT CENTER

Opened in January 2018, the Duncan Student Center exists as a new space for students to create, perform, gather, connect, exercise and unwind. The facility is designed to enhance the overall student experience and expand upon study, meeting, career, and student activity space on campus.

Levels 1 and 2: Flexible, state-of-the-art meeting rooms, graduate and undergraduate student lounges, a dining area, student organization space, and administrative offices.

Levels 3 and 4: Recreational sports facilities, including: climbing wall, bouldering wall, 1/6 mile running track, multitude of personal exercise equipment, dance and exercise studios, lockers and showers, RecSports staff headquarters, and a basketball court.

Level 5: A career services center, centralized and expanded with more than 40 interview rooms, multiple training rooms and conference areas, an employer lounge, and advising offices.

Level 6: Mechanical support.

Level 7: A 500-seat student ballroom, club seating for football, and booths for NBC Sports telecasts of home football games. Student-oriented programming will have priority booking for non-game weekends.

Level 8: Premium stadium seats and terraces that will look onto the campus and the playing field.

Level 9: Club seating, boxes for home and visiting coaches, security booths, and boxes for administrative and athletic department leaders.

Basement: Food service space for the three new buildings and the stadium.

CORBETT FAMILY HALL

Offices and labs for the Departments of Anthropology and Psychology, which are housed in a variety of buildings on campus, are now be in one place in Corbett Family Hall. These departments have previously been scattered in multiple locations throughout campus. The consolidation will provide new opportunities for scholarly exchange and interaction, as well as the obvious logistical benefits.

In addition, the Rex and Alice A. Martin Media Center in this building will bring together all campus multimedia services, plus provide space for the new Catholic Media Project and teaching space for the Department of Film, Television and Theatre.

Level 1: The Martin Media Center with a 2,000-square-foot studio and production, teaching, learning, research, and scholarship facilities. A control room will support faith-based productions and live programming, such as Masses at the Basilica of the Sacred Heart, as well as athletics events, performing arts presentations, and academic lectures and speeches.

Level 2: Anthropology offices, administrative space, conference and tutoring areas, and multi-function research and teaching labs.

Levels 3, 4 and 5: Psychology offices, classrooms, labs, computer rooms, and a student lounge.

Level 6: Mechanical support.

Level 7: Outdoor club seating for football, outdoor terraces, and a large space that will double as a club area and flexible classroom.

Level 8: Outdoor club seating for football.

Level 9: Working press box, radio booths, and a club area with indoor and outdoor premium seating for football. Planning for the new Duncan Student Center has ensured the facility will complement the student organization space and administrative offices located in the LaFortune Student Center. Duncan will operate in conjunction with LaFortune, which will continue to house departmental, organizational, and administrative offices and serve its historic role as a student center in the heart of campus.

The University of Notre Dame is enjoying its 15th full season with access to the Guglielmino Athletics Complex, affectionately referred to as “The Gug” (pronounced Goog). The Gug houses the football practice-week locker rooms, coaches’ offices and meeting rooms in addition to enhanced sports medicine, strength and conditioning and weight room equipment for all Notre Dame student-athletes.

Underwritten with a gift from the late Don F. Guglielmino and his wife Flora, the Gug provides the Irish football team with a central location for post-practice and pre-practice routines as well as daily positional meetings. Before the Gug opened, the Irish football facilities were spread between Notre Dame Stadium, the Joyce Center and the Loftus Sports Center.

The first floor of the 96,000-square-foot complex features the 25,000-square-foot Haggag Fitness Center (gift of Ed and Patty Haggag, Joe and Isabell Haggag) with the latest state-of-the-art

equipment that all student-athletes can use on a daily basis. The 8,300-square-foot Loftus Sports Medicine and Rehabilitation Center (a gift of John and Julie Lofus) services all Notre Dame student-athletes and also houses the athletic training staff. Also on the first floor are the Romano Family Locker Room (a gift of D.J. “Buddy” and Florence Romano), Isban Auditorium (a gift from Leonard and JoAnn Isban), the Allen Equipment Room (a gift of Marty and Sue Allen) and Hickey Coaches’ Locker Room (a gift of Jack and Rosemary Hickey).

The second floor houses the Smith Family Office Suites (a gift from the Smith family in honor of Francis W. and Rita C. Smith) with head coach Brian Kelly’s area overlooking the LaBar Practice Complex. Eleven banners hang in the Morse Recruiting Lounge (a gift of Jim and Leah Morse) commemorating Notre Dame’s 11 consensus national championships.

The University of Notre Dame opened a new indoor facility in July 2019 that expanded the indoor space available to the football program.

Constructed on the site of what is now the western-most field of the Notre Dame football team's LaBar Practice Complex, the 111,400-square-foot Irish Indoor Athletics Center has been underwritten by gifts from a number of benefactors.

Jack Swarbrick, vice president and James E. Rohr Director of Athletics at Notre Dame, noted that new NCAA policies require colleges and universities to provide practice times for student-athletes that are conducive to a productive academic plan and healthy overall lifestyle.

"Much as we have done with our approach to the Compton Family Ice Arena and the recent additions surrounding the football stadium, our focus when developing athletic facilities is to create uses that extend beyond varsity athletics," he said. "In this instance, in addition to creating what we believe will be the best indoor football practice facility in the country, we are creating additional recreational, club sport and community opportunities, while also ensuring that the students on our other varsity teams are practicing at times that allow for a more typical student experience."

LOFTUS SPORTS CENTER

Loftus Sports Center is now in its 32nd full year of service at the University of Notre Dame; the Loftus Sports Center is one of the most integral athletics buildings on campus. Designed for use by all Notre Dame athletics teams as well as students, faculty and staff, the \$6.3-million center measures 614 feet by 210 feet and stands tucked in a forested area of campus just north of LaBar Practice Complex and connected to the Guglielmino Athletics Complex.

Dedicated on April 23, 1988, the Loftus Center saw its first football practice on Sept. 30 of that season. The facility is a gift of John R. Loftus, a member of Notre Dame's basketball team in 1944, 1948 and 1949. The Irish football team practices on Meyo Field (a gift of Raymond D. Meyo), a 100-yard Prestige Turf (installed in 2014) field complete with end zones.

LABAR PRACTICE COMPLEX

LaBar Practice Complex enters its 12th season of use and is home to the outdoor practice fields of the Fighting Irish football team. A gift of Rees and Carol LaBar, the practice fields are located directly south of the Guglielmino Athletics Complex (on the former site of Moose Krause Stadium and Cartier Field). The LaBar Practice Complex features three football fields, lights, video towers, a maintenance building to provide storage and is secured with an eight-foot fence.

Two of the three practice fields are FieldTurf fields (newly installed for 2015), allowing the Irish to practice year-round without fear of damaging grass fields due to inclement weather and general wear-and-tear. The third field is a natural grass field.

GAME CREDENTIALS

All requests for working press, photo and broadcast credentials for Notre Dame's 2019 home football games must be made through the online credential service at UND.com/credentials. Credential requests must be submitted by the assigning sports editor or sports director prior to 7 p.m. ET Thursday the week before each home game in question (10 days prior to the event). If a media outlet needs to change an existing application, please contact Matt Paras at mparas1@nd.edu.

Because of the demand for credentials and the limited space available, media agencies covering the visiting school on a regular basis receive top priority. All other credentials for print media are issued on the basis of circulation. Only local radio stations with a full-time sports director conducting a daily sports show receive consideration for credentials. Non-originating, out-of-town radio stations cannot be accommodated.

CREDENTIAL DISTRIBUTION

Media credentials will neither be mailed nor will be available for early pickup. Credentials will ONLY be distributed on game day at the Hammes Auditorium (the Joyce Center's basketball interview room, located between Gates 1 and 2). Media will call opens three-and-a-half (3.5) hours prior to all home games. A government-issued ID is required for pickup and each individual must claim only his/her own pass. Photo vest and RF check-in is available inside door four (4) of Corbett Family Hall on game day. Photo vests are required to be returned one hour following the conclusion of the game. Failure to do so will result in your organization being invoiced for the vest.

PARKING

Parking requests will be accommodated on a space-available basis. If approved, parking passes will be shipped via FedEx no later than the Wednesday before a game to either the sports editor/director or designated attendee using the media outlet's FedEx account number. Parking passes may also be picked up prior to Saturday outside Isban Auditorium at the Guglielmino Athletics Complex before regularly scheduled football media opportunities. Parking passes cannot be picked up on campus on game day.

BRIAN KELLY WEEKLY AVAILABILITY

The Dick Corbett Head Football Coach Brian Kelly conducts a weekly press conference at noon ET each Monday in the Isban Auditorium at the Guglielmino Athletics Complex. The half hour weekly conference previews the upcoming game is streamed live online. Kelly hosts a conference call at 2 p.m. ET each Sunday after a game, when he'll review the previous day's game. Media members may call in to ask questions. To attain the call-in number for Sunday's media update, media members should contact interim director of football athletic communications Michael Scholl.

INTERVIEW TRANSCRIPTIONS

Transcriptions of the Monday media opportunity with Brian Kelly are available through the Notre Dame athletics department website, UND.com.

STUDENT-ATHLETE INTERVIEWS

Interviews with Notre Dame student-athletes will occur on Tuesday during each game week. Interview requests for student-athletes must be submitted to Michael Scholl by 5 p.m. ET the Sunday before the proposed interview. A player availability schedule will be distributed each Monday during the season. Media are not permitted to directly contact student-athletes or coaches to arrange interviews.

POST-GAME INTERVIEWS

Post-game interviews at Notre Dame Stadium are held in the home and visiting media rooms. Audio and video from Notre Dame's interviews is piped live into the press box for media on deadline. Television and radio crews can receive audio through a multi-box in each auditorium. All Notre Dame student-athlete interviews will appear in the home interview following the game. Irish head coach Brian Kelly will also appear in the room following the student-athletes. Requests for student-athlete interviews should be submitted by the eight-minute mark of the fourth quarter to Michael Scholl or Aaron Horvath. Transcripts from both head coaches' press conferences will be available approximately 60 minutes following the conclusion of their post-game comments.

STATISTICAL SERVICES

Prior to kickoff, all media members will be provided with necessary information. Last-minute lineup changes, weather conditions and other information will be relayed through the internal public address system.

During the game, media members will be provided with a running play-by-play, while at quarter breaks and halftime, quickie stats and drive charts will be distributed via email.

Following the game, a complete post-game statistics package will be distributed via email and will contain a scoring summary, final team statistics, final individual statistics, complete play-by-play, drive charts for both halves, halftime statistics, defensive statistics, substitution chart, post-game quotes from both head coaches and players and post-game notes.

Live in-game statistics will be available via StatBroadcast.

EMAIL

Following each Notre Dame home game, the athletic communications office will be happy to email whatever information media members need to their respective agencies. Please ask any member of the athletic communications staff for assistance on this matter.

PRESS HOSPITALITY

Food and refreshments are served throughout the game — free of charge — in the Notre Dame Stadium press box.

HOTEL ROOMS

Hotel rooms in the South Bend area are booked far in advance of Notre Dame home football weekends. Most hotels in the South Bend area require a two-night stay (Friday and Saturday) during Notre Dame home football weekends. Media members are responsible for their own lodging as Notre Dame's athletics communications office no longer reserves blocks of rooms. The athletics communications office can help with hotel suggestions and recommendations. For Notre Dame football road games, media members must arrange their own lodging.

In 2019, the University of Notre Dame and NBC Sports continues their television relationship for the 29th consecutive season. NBC will broadcast all seven home games for the Fighting Irish.

Play-by-play analyst Mike Tirico enters his fourth year as part of NBC's coverage. Doug Flutie returns for his sixth season as game analyst. Kathryn Tappen enters her sixth season as a sideline reporter. Liam McHugh will lead the NBC Sports college football studio team that will provide pre- and post-game coverage each Saturday.

On April 18, 2013, Notre Dame and NBC Sports reached agreement on a new 10-year contract giving NBC the rights to televise Irish home football games from 2016 to 2025.

A joint announcement of the extension was made by Mark Lazarus, chairman of NBC Sports Group, and Notre Dame's president, Rev. John I. Jenkins, C.S.C.

"Coming off one of Notre Dame's best and most dramatic seasons in decades, we could not be more proud to extend this historic partnership, which continues to be one of the most innovative in sports-media history," Lazarus said. "We are particularly excited that this extension offers enhanced rights that allow us to bring Notre Dame football to fans on more platforms than ever before."

As it has since 2009, NBC Sports Digital continues to live stream Fighting Irish home games for the web, mobile and tablets.

Father Jenkins noted the multiple benefits of the partnership with NBC.

"In addition to the national broadcast of our home football games, this longtime and valued collaboration with NBC has made a Notre Dame education possible to literally thousands of students," Father Jenkins said. "We are delighted to extend our partnership to bring Irish football to our fans, to continue to help support financial aid, and to tell the Notre Dame story."

Revenues from the NBC contract have played a key role in Notre Dame's financial aid endowment since the start of the relationship in 1991. University officers decided then to use a portion of the football television contract revenue for undergraduate scholarship endowment (not athletic scholarships). To date, 7,472 Notre Dame undergraduate students have received \$116,459,579 in aid from revenue generated through the NBC contract.

The University also has committed revenue from NBC to endow doctoral fellowships in its Graduate School and MBA scholarships in its Mendoza College of Business.

In addition to televising games, NBC has collaborated with Notre Dame on an award-winning series of two-minute messages featuring University faculty and student research.

"While our relationship with NBC Sports is longstanding, the more recent merger between NBC and Comcast has opened up additional avenues to expand the breadth of Notre Dame-related sports programming on NBC platforms," Notre Dame vice president and athletics director Jack Swarbrick said.

"Specifically, the evolution of the NBC Sports Network has provided opportunities for special programming featuring inside looks at our football team and several other Notre Dame sports programs and in-depth profiles on the unsung heroes of Notre Dame athletics. These are examples of the growth of our partnership, and we look forward to collaborating on additional projects and distribution strategies in seasons to come."

Per the extension, the NBC Sports Group retains global media rights on all platforms to a minimum of seven Notre Dame home football games per year. As in the prior contract, it allows for occasional games to air on NBC Sports Network, which is available in 85 million homes.

NBC has been televising Irish home games since 1991, and this marks the sixth of a series of agreements with Notre Dame. The original agreement covered the seasons from 1991 through 1995. The first five-year extension (announced in 1994) covered 1996 to 2000, the second extension (announced in May 1997) covered 2001 to 2005, the third extension (announced in December 2003) covered 2006 to 2010, and the fourth (announced in June 2008) covered 2011 to 2015.

The NBC and NBC Sports Network 2019 college football schedule is comprised of Notre Dame home games and the Bayou Classic. For more information and a full list of college football games on NBC and the NBC Sports Network, visit NBCSports.com.

The 2019 football season marks the second year of a partnership in which Legends and JMI Sports -- two of the leading athletics marketing and hospitality companies in the country -- will oversee Notre Dame's sales, marketing, hospitality, media rights and branding services on a local and national level.

Through this unique partnership, Notre Dame is determined to become an innovative leader in the packaging and presentation of its game-day hospitality experience, multimedia rights, corporate sponsorship plans and national radio broadcasts.

The announcement made by University Vice President and James E. Rohr Director of Athletics Jack Swarbrick was the culmination of an extensive review and evaluation process.

"As we embarked upon this task of finding the best strategic fit for Notre Dame, we made it clear that we were seeking partners who understood the unique opportunities offered by the Notre Dame brand," Swarbrick said.

"Both Legends and JMI Sports not only demonstrated superior appreciations of our culture and our mission, but also their willingness to creatively pursue features that are 100 percent Notre Dame-centric. Each company has unique and specific strengths to offer, so we asked them to combine those strengths to create something transformational for Notre Dame.

"We believe this partnership recognizes the value of the Notre Dame brand and offers enough creativity and innovation to return significant revenue opportunities for all parties to the agreement. We expect that resulting new initiatives will provide corporate sponsors and Notre Dame fans new, engaging and entertaining ways to connect with our University and its athletic program."

The University, through this 12-year agreement, which began in 2018, will seek to create and implement unique programs and partnerships with an elite group of companies and brands -- delivering unprecedented levels of engagement, first-class hospitality experiences and recognition, while also preserving traditions Notre Dame holds dear.

JMI Sports brings extensive multimedia expertise to the partnership with current representation of premier collegiate brands. "Notre Dame approached its analysis with the clear objective of creating an outcome that will maximize the opportunities for its unique brand," said JMI Sports CEO Erik Judson. "In developing our solution to meet those very high expectations, we believe the combined value proposition offered by a JMI Sports/Legends partnership will exceed those expectations. This partnership will provide extraordinary financial upside while at the same time allowing Notre Dame to maintain control of the most influential and revered brand in college sports."

Already a partner with Notre Dame since 2013, Legends was an integral part of executing the Campus Crossroads Project, developing capital gift and annual donation pricing models, packaging and marketing strategy, while also executing sales campaigns for new premium seating inventory.

"Our commitment includes building a team of highly qualified sports and sponsorship professionals who have a strong affection and understanding of Notre Dame, its history and its iconic reputation," said Shervin Mirhashemi, President and CEO of Legends. "In partnership with JMI Sports, we look forward to tapping into the experience and relationships we have built with some of the largest and most well-known brands in sports, media and entertainment to help expand the incredible opportunities available through this partnership."

Recognizing the uniqueness of their agreement with Notre Dame, Legends and JMI Sports will dedicate stand-alone national, regional and local sales and marketing staff resources to the partnership while tapping into the highly experienced branding, hospitality and experiential marketing teams at both companies.

"The future of college athletics requires vision and innovation -- and that's what we've found in this partnership with Legends and JMI Sports," said Swarbrick. "Their approach to serving an elite

group of universities falls right in line with our expectations of a partner."

The new partnership will include Notre Dame's national football radio rights, which previously had been a stand-alone agreement for many years with the Mutual Broadcasting System, Westwood One and most recently with ISP and then IMG College.

Notre Dame previously had been handling most of its athletic corporate sponsorships and marketing rights through Notre Dame Sports Properties, created in 2003.
