Camp Summary

Making a return to our camp series in 2020 is our popular recruiting camp called “Irish Invasion.” Irish Invasion is designed for players with varsity experience at skilled position who have an interest in competing for a scholarship to the Notre Dame.

This camp will focus on competitive situations and testing athletic ability. Our sports performance staff will test players in the 40 yard dash, broad jump, and short shuttle. Our football coaching staff will teach techniques to improve position specific ability for the upcoming season and evaluate to see if an athlete has what it takes to be the Irish All-American.

This camp is also a great opportunity to showcase your skills and compete against some of the country's top players in a competitive, instructional, and high energy environment.

What to Bring

Helmet, Mouth piece. Cleats/athletic shoes, Socks

Medical Supervision

All campers are under the immediate supervision of the Notre Dame Athletic Training Staff. The University Head Athletic Trainer and a team of doctors and trainers will be available at all times to offer medical aid if necessary. Water stations will be set up during all practice sessions.

Location

The site for this Football summer camp is located inside of Notre Dame Stadium surrounded by the beautiful and historic campus of the University of Notre Dame. Campers will have the opportunity to run out of the tunnel and compete on the same field on which some of college football's greatest players competed.
